Keeping Up - - With Uplanders

By V. V. P.

ENJOYING LIFE

We heard a couple of fellows arguing the other day, very unhappy with each other.

It happens every day — people bitter about so many things that are really so trivial. Ninety-nine and nine tenths of us have everything in this world for happiness. Yet, how easy it is to complain and spread bitterness and gloom; to pull down, instead of lift up.

In the courthouse the other day we made a purchase at the confectionery counter. The attendant, pleasant and talkative, carried on an easy conversation with everyone.

He fumbled a trifle in giving us change — he was blind.

"O' God, forgive me when I whine
"I have two eyes, the world is mine."

In calling on a family of newcomers the other day, we observed a bright, blue-eyed boy. We asked the lad how he liked his new home town and school, but his lips did not move. He only smiled and bashfully covered his face with his mother's skirt.

"He's deaf," the mother said.

"O' God, forgive me when I whine
"I have two ears, the world is mine
"With feet to take me where I'd go
"With eyes to see the sunset's glow,
"With ears to hear what I would know
"O' God, forgive me when I whine
"I'm blest indeed, the world is mine."

HIS LAST DAY

It is going to be easy for Everett E. Carter to give up his job as police sergeant in charge of traffic law enforcement here.

"The first thing I am going to do Thursday morning is fix up the plumbing at the First Baptist church—get the lawn sprinkler system working and do other things," he said when asked how he felt on his last day of official work for the city.

"I have been planning on my retirement for a long time," he continued, his dark eyes shining out from under his dark eye brows. His face is tanned.

"Perhaps it would be hard for me to suddenly give up the pob and do nothing. Of course, I have known of my retirement date for a long time and I have been kinda' planning what I would do."

He is an ardent fisherman, especially when it comes to getting 'em from the surf. He has equipment. His fellow policemen and fellow city employes gave him a hunting gun in a farewell dinner last night. He was also given an easy chair by business people in the community.

It was hours before the ceremonies when he observed:

"I do expect to take things easier, work when I want to and sit around when I wish but I want to do what I can to help the 'kids'. (probably meaning his grandchildren) And then if I can earn a few sheckles on the side I will do that, also."

Citations

It took some mathematics to arrive at an estimated number of citations the police officer has issued.

"Since Oct. 18, 1943 I have used 25 traffic books," he said in beginning his calculations. "There are 270 sheets in each book."

The total is 6,750. "And then I have used about 50 citations in the book I won't get to complete," he observed in adding to make the total 6,800.

In 1935 he really began his tour of duty as a traffic officer. "I estimate I gave out about 7,500 citations prior to 1943, he figured with his pencil in a thoughtful review of his 28 years of service.

That makes a grand total of about 13,500 "tickets" that have gone out from his pencil.

"I tried not to make trouble for anyone and I don't recall ever getting into a hot argument with any motorist," the veteran said. "I never wanted to make it difficult. If a fellow was going too fast he usually knew it and if there was any question about how fast he was going, I usually accepted his own figure and wrote the citation accordingly. I figured the important thing was to emphasize the need for safe driving and I sought only to caution him and to give him a ticket as a reminder."

Sgt. Carter began working for the city September 3, 1925. His first beat was at night. That was before the era of two-way radio communications and not so much traffic.

"I always had to keep my eye on the red light," he reported.

By the "red light" he actually meant a red light, perched high in the air, that was turned on from the police station. When a patrolman was wanted, an officer in the police station turned on the red light.

The red light was the signal for action. Officers immediately

Action On Bridge Railings Now Under Consideration

State Highway Division May Act Report Manley, Kane

Good news for the 264 parents of the Olivedale area who recently expressed concern for the safety of their children when the Ramona freeway bridges are opened, due to the low height of the bridge guard railings, was announced yesterday by City Manager Richard G. Manley.

with Mr. Manley early this week, District Engineer Clyde V. Kane of the San Bernardino office, California Division of Highways, expressed belief that the high way department is going to take some action as a result of the complaints from local citizens regarding the bridge railings.

Mr. Kane previously informed Mr. Manley by letter that the Highway division considered the railings regulation and planned for safety, the city manager reported.

When contacted by The Upland News, Mr. Kane stated that the division is "considering action" on the bridge rail controversy but said he could not report what action might be taken at this time.

Concern over the low height of the bridge railings was first called to the attention of the Upland city council by a group of Olivedale parents Sept. 21, when they presented a petition signed by 264 residents in protest of the guard railings installed on the Euclid, Sultana and Campus avenue bridges over the Freeway.

Newcomers Buy

Houses Sold In Local Deals

Real estate transactions involving local residences are announced today, several of the purchases being new residents in the community.

Mr. and Mrs. E. C. Graafeiland have purchased the residence at 929 North Fourth avenue, having selected Upland as their home city after his 22 years in the U. S. navy. They have twin daughters, 11 years of age. Joyce and Cheril Graafieland are students at the Upland junior high school. Their former home was Rochester, N. Y.

Mr. and Mrs. Lee Biggs have purchased the Ardis Gray residence at 781 West Ninth street. The newcomers formerly resided in Modesto. The couple has eight children and they are getting located in their new property.

Missing Auto Held

Couple Charged With Narcotic Smuggling

A car reported stolen by local residents has been impounded in the Chula Vista customs garage after a couple driving it were apprehended at the U. S. International boundary at San Ysidro and charged with smuggling narcotics.

John Savallos, 10178 Twenty-fifth street or 10243 Twenty-sixth street, Cucamonga, and Clara Lopez, alias Clara Bernal, same address, were arrested at the border station Sept. 26 on the narcotic smuggling charge.

The 1936 Chevrolet impounded by the Customs officers is owned by Mr. and Mrs. John L. Furlough, 746 San Ysidro. Mr. Furlough first reported to Upland Police department on Oct. 4 that his wife had loaned the car to an acquaintance for a day late in September and it had not been returned. Mrs. Furlough filed a stolen report that night. Location of the car and the circumstances regarding its impoundment were received by Upland police Friday.

Bond for each of the Cucamongans was set at $2500 early this week as they were held in the San Diego city jail, after being arrested as they attempted to cross the border from Mexico. Customs officials reported finding two bundles of heroin and one package of marijuana, weighing a total of three pounds, 14 ounces.

Dr. Thomas A. Gibson Receives Fellowship

Dr. and Mrs. Thomas A. Gibson are back at their home, 554 North Fifth avenue, after spening last week in Chicago attending the convention of the American College of Surgeons.

Dr. Gibson received a fellowship in the American College of Surgeons. He maintains his office in Ontario.

Mrs. Robert Reed, 1175 North tonio hospital Saturday to re- Euclid avenue, entered San Anceive medical care.

Dunlap Resigns As Chamber President, Paul Hottel Named

Paul G. Hottel is the new president of the Upland chamber of commerce, succeeding Charles Dunlap, who resignation was accepted by the directors at a board meeting Tuesday night. Mr. Dunlap recently suffered a heart attack and due to the need for him to forego participating in all civic activities, he resigned as president.

Mr. Hottel, who had served previously as president of the chamber of comerce, was recently elected vice-president. His fellow directors advanced him again to the presidency and Harry Dier was named vice president.

Mr. Dunlap will continue as a member of the board.

Zone Law Is Ready For Vote

Final action on the city's proposed master zoning plan and the master zoning map is scheduled at tonight's meeting of the Upland city council.

First reading on the more than 40-page document was completed at an adjourned meeting of the councilmen a week ago. Purpose of the adjourned meeting was to provide an opportunity for a detailed reading of the proposal. Passage is scheduled for tonight without further reading of the document.

Only minor changes were made during process of the reading. The ordinance and the master zoning map will be published later this month in The Upland News.

Mrs. P. B. White Suffers Broken Hip

Mrs. Phillip B. White, 2461 Mesa Terrace, San Antonio Heights, is a patient at San Antonio Community hospital, where she is making excellent progress toward recovery, according to Mr. White.

While getting ready to attend service at St. Mark's Episcopal church on October 5, Mrs. White slipped and fell, breaking her left hip. She is now able to be in a wheel chair part of the time.

She has long been active in church, club and civic affairs.

Terrence Achatz, 896 East Eighth street, was admitted to San Antonio hospital Saturday for medical care.

Officers Exchange Congratulations

Officer J. E. McCarthy and Sgt. Evert E. Carter exchange congratulations as McCarthy receives a promotion to sergeant as Sgt. Carter retires after 28 years with the Upland Police department. Sgt. McCarthy will be in charge of the dawn patrol, effective tonight.

P-TA Chooses Three

Jessie Brown, Baldy View, Las Flores School Names Selected

"Jessie Brown," "Baldy View" and "Las Flores" were the three names chosen by Upland Elementary and Junior High Parent-Teachers association to be submitted to the Upland school board for consideration in naming the new elementary school to be erected on West Eleventh street.

Dean Robert Troutman of San Bernardino Valley college was guest speaker for the P-TA meeting Tuesday night in the Upland Elementary school auditorium. His topic was "You and Your Family," with his principal message conveying the belief that balanced love and appreciation in the home bring forth the highest calibre individual.

Mrs. Dean H. Engle, the new president, presided at the first regular meeting of the current school year. Mrs. Michael Morgan, program chairman, introduced Dr. Troutman.

School parties will be held in classes on the Friday before Hallowe'en, it was announced. A Hallowe'en night party recommended by the P-TA board will not be held this year due to the lack of planning time, but the recommendation was well-received and will be followed through next year.

Hostesses for the social hour which followed the meeting were the Mesdames George Davis, chairman; Mrs. Donald Swihart, Lowell Wood, Bill Ryan, Bronson Palmer and Max Hawkins, all sixth grade room mothers.

Mr. and Mrs. Frank White, 517 East Eleventh street, enjoyed a visit of nearly a week from Mr. White's brother-in-law and sister, Mr. and Mrs. Sam Greer, and the latter's son and daughter-in-law, Mr. and Mrs. Gordon Greer, of Phoenix, Arizona, who left Wednesday to return home.

Residents Asked To Scatter Leaves Evenly in Gutter

Homer Greear, city street foreman, this week requested the cooperation of Upland residents in the big task of hauling the fall crop of leaves from the city streets.

The thing Mr. Greear wants local citizens to do, or rather NOT TO DO, is pile leaves from their yards in a neat pile in the gutter. Instead, he asks that they leave the leaves scattered along the gutter, so that the street sweeper can more easily sweep them up.

Mr. Greear said he appreciated resident's efforts in sweeping the leaves into neat piles, but that it does not actually facilitate their removal.

Monday Kick-Off Breakfast Will Launch Campaign

Upland's Community Chest fund drive will get a big send-off Monday when the annual kickoff breakfast is held in Upland Woman's club house, starting at 8:30 a.m.

The Rev. T. A. Hart, pastor of the First Presbyterian church, will be the keynote speaker and will take as his topic for instilling the volunteer workers with enthusiasm and determination, "Without Apology."

All Chest solicitors, of home, business and industrial areas, are invited to attend the kickoff breakfast, and John B. Atwood, drive chairman, urged all volunteers to attend. A charge of $1 per plate will be made.

* * *

Mrs. Hazel Cassell, executive secretary of the Upland community chest, said late yesterday that a total of $1,366.30 had been received in advance gifts for the annual fund drive, giving the opening of the drive Monday a substantial "shot in the arm."

* * *

The meeting will be brief, with kits and instructions to be issued to all solicitors for the Community Chest. Residents are advised not to give Community Chest contributions to any persons not having proper Chest solicitor's equipment.

Response to the fund campaign is expected to reach generous proportions, Mr. Atwood said, with advance contributions indicating that local residents realize the need for funds and appreciate the many community agencies which benefit from the one big campaign.

With an annual budget of $9,996.50, to be raised in the Chest drive opening Monday, Mr. Atwood emphasized the necessity of every Upland resident contributing as much as possible to put the drive over the top.

Officer McCarthy Succeeds Carter As PD Sergeant

Officer J. E. McCarthy, member of the Upland Police department for the past three years, was announced Tuesday to succeed Everett E. Carter, who retired from the police force yesterday, as police sergeant.

City Manager Richard G. Manley made the appointment after receiving the recommendations of Police Chief Ralph H. Palmer. The choice was based on a written and oral examination given applicants for the position.

Official Tonight

Officer McCarthy will officially become Sergeant McCarthy and assume the responsibilities of that office effective tonight at midnight, Chief Palmer said yesterday.

An Uplander for the past five years, McCarthy was an Upland reserve policeman for a year before becoming an officer on the force.

His experience prior to that includes two years on the New York City Police department. He is a Navy veteran of two years service during World War II, 14 months of which were spent in the South Pacific theater.

Family of Six

With his wife, Eileen, and four children, Officer McCarthy resides at 1069 Mesa court. The McCarthy children are Daniel, 12; John, Jr., 11; Michael, 9; and Kathy Ann, 4.

Sgt. Carter ended his service with the Upland Police department yesterday after 28 years. His last day of duty was Tuesday, however, Wednesday being his day off.

Taxpayers Plan Name Change

A proposed set of by-laws was drawn up for presentation at a public meeting Nov. 2 by the board of directors of the Upland Young Taxpayers association, Chairman John Nicholson has announced.

In the new set of by-laws as proposed, the name of the group is changed to Upland Taxpayers association, in order that taxpayers of all ages will take an active part in the association, Mr. Nicholson said.

The directors will meet again Oct. 26 for additional study of the proposed by-laws. Following this meeting, the by-laws as drawn up will be made public so that interested tax payers will have an opportunity to study them prior to the Nov. 2 public meeting.

"All taxpayers are invited to the public meeting," Mr. Nicholson announced. "This meeting will also be considered the annual meeting of the organization, where the by-laws will be presented for adoption by the group at large, membership applications will be distributed and officers for the coming fiscal year will be elected," he added.

Monthly meetings of the Taxpayers are planned for the first Monday of each month starting with the annual meeting Nov. 2.

C. of C. Banquet Tuesday Night

Annual meeting of the Upland chamber of commerce Tuesday night will be featured by a pictorial and verbal report on the latest developments in aviation.

The meeting will be held in the Upland Woman's clubhouse at 6:45 p.m. and unusually wide interest is being shown in the annal civic meeting. Paul G. Hottel, newly-elected president of the chamber, will preside and introduce his fellow directors.

Ernest Lawson, Northrop Aviation Corp. representative at the Ontario International airport, will be the featured speaker. The "flying wing" will be pictured and its use in new airplanes will be explained.

Varied entertainment will also be presented.

Margaret Furry Contest Winner

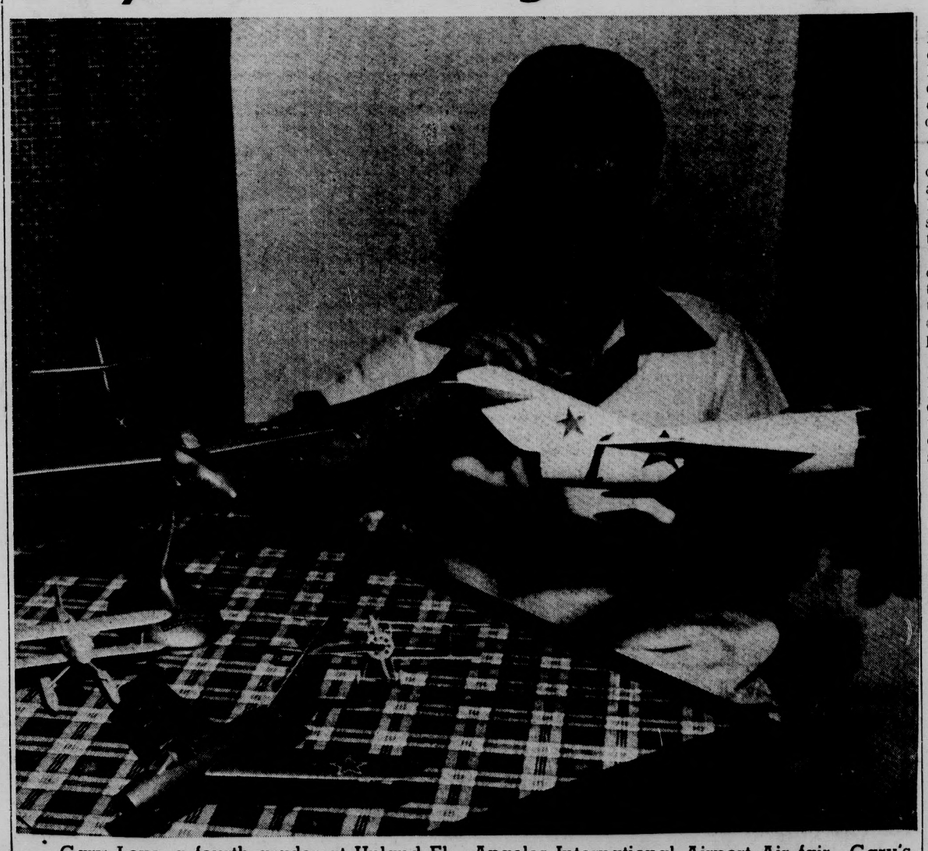

With the membership campaign of Upland P-TA to close Friday, the poster contest winners were announced this week by Mrs. Clinton Thompson, membership chairman.

First prize of $3 went to Margaret Furry; second prize of $2 went to Marina Ornelas, and third prize of $1 was awarded to Sharon Wenger.

Honorable mention contestants were Joe Cotriss, Jeannette Amberson and Bonnie Strohm. Judges were Miss Ellen Bumstead, Miss Cecilia Lower and Miss Sadie Brainerd.

The posters may be seen in the display windows of downtown business houses, while the prize-winning posters are on display at the school auditorium.

Gary Love To Reign As King Of Air Fair

Gary Love, a fourth grader at Upland Elementary school in the class of Miss Margaret Dahms, is pictured working on one of his model jets at his home, 863 North Third avenue, as he looks forward to reigning as King of the Los Angeles International Airport Air fair. Gary's dad, Robert J. Love, knocked down seven MIGs in Korea to become the first National Guard jet ace and is now a test pilot for F-89D jets at Ontario International airport.

Nine-year-old Gary Love of 863 North Third avenue, will be the envy of every youngster at Upland Elementary school when he officially dons his cape and crown Sunday to reign as King of the Los Angeles International Airport Air Fair.

Gary was selected as King because of his intense interest in airplanes and because his dad, Robert J. Love, knocked down seven MIGs in Korea to become the first National Guard jet ace.

Gary was crowned in special ceremonies in front of an F-89D, the type of plane his father now tests for Northrop Aircraft, Inc. out of Ontario International airport.

Woodruf De Silva, manager of Los Angeles International airport, placed a jet pilot's helmet on Gary's crew cut, in addition to the conventional crown and declared him "monarch of all he surveys" at the Air Fair, including the more than 200,000 people expected to attend.

On display at the Air Fair will be the latest in jet aircraft and civil airliners. The armament of the U. S. Air Force Northrop Scorpian F-89D, America's most heavily armed fighter airplane will be on public display on the West coast for the first time at the Air fair.

Scout Leaders Plan Joint Honor Court

Scout leaders of the Ontario and Upland-Foothill districts met Tuesday noon with Scout Executive Jack Hurt to plan the court of honor for the two districts to be a joint honor court in the Merton E. Hill auditorium of Chaffey college, 7:30 p.m., Oct. 26.

Scouts of the two districts will receive high awards before an audience of parents and interested friends.

Wind Machines Boost Building Permit Total Over $20,000

Another big week for building in Upland was registered for October in the office of City Building Inspector Richard Derby, with over $10,000 in permits for wind machines boosting the total over the $20,000 mark for the second successive week.

Wind machine permits totaled $10,800 for five permits, while three permits for termite damage repair totaled $625. One new dwelling permit was issued for a $6,000 home and garage to be erected at 880 Third place by Miss Mattie Clark, 579½ North Third avenue.

Townsend, Earl Riggs, L. Cletus Gallagher, L. J. Parker, Lonnie Blanton, J. P. Strack, Henri C. Tubach and Arthur Relph.

Organization of a Drama section was announced, and all interested members are invited to the first meeting, which will be held Tuesday at 7:45 p.m. at the home of the president, Mrs. Jones, 802 Rosewood court, Ontario.

Mrs. Henry Busch announced that the Study section will begin on October 27, at 1 p.m., when Mrs. Leigh Thompson will tell of her visit to Williamsburg, Va.

Ten of the club members have volunteered to give one-half day each week to the Well Baby clinic.

Luncheon was served by the October committee under the direction of Mrs. Homer G. Grant and Mrs. O. B. Thomson, co-chairmen. The tables were attractively decorated with arrangements of autumn fruit, the work of the Mesdames Seymour Lydick, William Amberson, Clark Green and O. B. Thomson.

Mrs. Edward K. Hansen was responsible for the beautiful displays of chrysanthemums on the stage and in the foyer.

The Mesdames Mark C. Bradburn, A. C. Beattie and William Smith greeted the members as they arrived.

Circus-Bazaar Is Huge Success

Congratulations are being showered on members of St. Clare's Auxiliary of St. Mark's Episcopal church for the success of their circus-bazaar held last Friday afternoon and evening on the parish house and rectory lawns. About $1,000 was realized, and this will be used for various church projects of the group.

Mrs. Frederick G. Bissell was general chairman for the event, with Mrs. George Yetter serving as co-chairman. Mrs. Floyd Plasman was in charge of decorations, and other committee chairmen included Mrs. Donald Pattison, amusements; Mrs. Quito Laubach, food; Mrs. Norman O'Shean, country store; Mrs. Bruce Grube, publicity; Charles W. Hawthorne, lighting.

Mr. and Mrs. Ronald Harmon Day are shown cutting the tiered wedding cake at the reception in their honor Sunday afternoon at the home of the bride's parents, Mr. and Mrs. William R. Richardson, 619 Vernon drive. Mrs. Day is the former Margaret Richardson.

Reception Honors Newlywed Couple, Mr. and Mrs. Ronald Harmon Day

Honoring Mr. and Mrs. Ronald Harmon Day, newlyweds, a reception was held Sunday afternoon at the home of Mr. and Mrs. William R. Richardson, 619 Vernon drive. The bride is the former Margaret Richardson.

The couple exchanged vows on September 16 at Las Vegas, Nevada, in a double ceremony with Mr. and Mrs. James Norman of Chino. The bridegroom's parents are Mr. and Mrs. Harmon Day, 777 West Ninth street, Claremont.

For the reception, the Richardson home was decorated with arrangements of white gladioli, pompom chrysanthemums and carnations. In the receiving line besides the honored guests were their parents, the bride's brother, Ian Richardson, and the bridegroom's sister, Miss Marjorie Day.

About 125 guests called to congratulate the young couple and to wish them happiness. The bride wore a powder blue nylon ribbon net dress with white accessories and a white orchid corsage. Her mother was attired in a dress of royal blue with black accessories and a lavender orchid corsage. The bridegroom's mother chose a turquoise blue dress, with black accessories and a lavender orchid corsage.

Entertainment for the afternoon included a vocal solo by James Anderson, who sang "I Love You Truly", accompanied at the piano by D. McColl.

After the bridal couple had cut the first slice of the four-tiered cake, Miss Marjorie Campbell of Pasadena continued the cutting and serving. The knife used was the same one which cut the wedding cake of the bride's parents. Mrs. Elmer Wheeler presided at the punch bowl. Miss Donna Percy circulated the guest book, and Mrs. William Campbell, aunt of the bride, assisted at the gift table.

The new Mrs. Day was graduated from Chaffey high school in 1952, and attended Chaffey college for one year. She now is employed in the Upland Home Appliance store.

Her husband, a graduate of Claremont high school, attended Chaffey college. He is employed in the U. S. post office in Claremont.

They are residing at 411 Grinnell drive, Claremont.

In the evening a family dinner was held at the Richardson home. Out-of-town guests included the Messrs. and Mesdames William Campbell and daughter, Marjorie; F. Robles, William Virtue; Mrs. M. Mackenzie and G. Penny, of Pasadena; Mr. and Mrs. Fred Thompson and Mrs. Doris Snowden, of Simi; Mr. and Mrs. Wallace Thompson of Ventura; the Messrs. and Mesdames David Hardie and family, Andy Robertson, Peter Akin; and Mrs. K. Hardie, of Long Beach; Mr. and Mrs. D. McColl and James Anderson, of Los Angeles; Mrs. Maggie Preston of Hollywood; and Mr. and Mrs. William Mcleod of ElMonte.

Business Women Hear Talk By Psychologist

"Our ability depends upon our interest in developing it," Mrs Ruth Palmer of Pomona, personnel councelor, told members of the Upland Business and Professional Women's club when she addressed them at their dinner meeting last Thursday evening in the Upland Woman's club house.

Her general topic was "Qualifications Necessary for Success in Our American System", and she spoke on the relation of ability and personality to the success of a job.

The education and vocations committee, headed by Mrs. Denyse Anderson, was in charge of arrangements for the evening. Miss Lois Brown, vice-president, presided in the absence of the president, Miss Helen Couts.

It was decided to use $50 of the scholarship fund to befray part of the expenses at Chaffey college of some worthy girl student of this community.

The club members presented a gift to Mrs. Anderson, who is to be married in November.

Mother, Daughter Home from Germany

Mrs. Alfred L. Baublit and 3½-year-old daughter, Katherine, scan a collection of postcard pictures and travel pamphlets gathered on their 4½-month trip to Munich, Germany. On their return to their home, 1026 East Eighth street, Oct. 1, little Katherine surprised her father with a blast of greetings in German. Mrs. Baublit reports the little girl picked up German quickly and after being home two weeks is still using a mixture of English and German in her speech. Mrs. Baublit spoke English before coming to the United States as the bride of the American civilian employee of the U. S. War department in Munich, now an Upland auto mechanic. Glad to be home, Mrs. Baublit said that the long visit with her parents in Munich seemed like just a few short weeks.

Phyllis Lomax and Leland E. Cass Exchange Vows in Church Ceremony

In double-ring rites held Saturday afternoon in St. Joseph's Catholic church, Miss Phyllis June Lomax, daughter of Mr. and Mrs. Chester J. Lomax, 1232 Veterans court, became the bride of Leland E. Cass, son of Mr and Mrs. Auburn D. Cass, 848 East Granada court, Ontario.

Only close relatives of the couple witnessed the ceremony performed at 2 o'clock by the Rev. Father Gregory Sheridan.

Given in marriage by her father the bride was attractively attired in a beige Florentine faille dress with bolero packet, a small black velvet hat and black accessories. She carried a nosegay of white carnations centered with pink.

Miss Diane Lomax attended her sister as maid of honor. She wore a dress of blue Florentine faille and carried a nosegay of pink carnations.

Chester A. Lomax, brother of the bride, was best man for the bridegroom.

The bride's mother wore a navy blue nylon dress, accented with a corsage of red carnations, and the mother of the bridegroom chose a pale green nylon dress with pink carnation corsage.

Following the nuptial rites, a reception for about 75 guests was held in the Ontario Woman's club house. The bride's mother cut and served the tiered cake, and Miss Diane Lomax presided at the punch bowl. Miss Carol Bissonnette had charge of the guest book.

The newlyweds left on a honeymoon trip of undisclosed destination, and on their return will make their home in Arcadia.

The new Mrs. Cass was graduated from Chaffey high school with the class of 1952, and has been employed as an operator for the Pacific Telephone and Telegraph company in Pomona.

The bridegroom, a graduate of Pasadena City college, is employed by the U. S. Termite Control company in Pasadena. He served in the U. S. Army for two years, 15 months of that time in Korea, and earned the rank of Sergeant 1/c.

Uplanders Agree "It's A Small World"

"It's a small world" agreed John G. Allender, new manager of the Grove theater, and Abbott Paine, advertising manager of The Upland News, when they met for the first time this week.

When The News representative called on the new manager for the regular theater advertisements, their conversation resulted in the knowledge that Paine, a 1953 graduate of the University of Oregon, was a classmate of Mr. Allender's granddaughter, Deiores Parrish. Both attended the University for four years and worked together on the staff of the student newspaper.

Modern Front, Display Windows At Haack's

Modern and attractive are the new front and display windows at Haack's ladies' apparel store, 281 North Second avenue, the result of a remodeling program nearing completion. George E. Haack, owner-manager, points in the above photo to the expanse of green corrugated plastic sheeting above the display windows and entrance on which a modern sign will be installed before the remodeling program is complete.

NEWCOMERS

From Lompoc

Mr. and Mrs. Ingram, a daughter and a son, are residing at 689 Vernon drive, moving here from Lompoc. Mr Ingram has purchased a service station in San Bernardino but they favor Upland as a place in which to live. The daughter is a sophomore at Chaffey high school and the son is a sixth grader in the Upland schools.

Works For Douglas

Mr. and Mrs. Donald H. Georges and son and daughter are new residents at 266 North Campus avenue, coming here from Riverside. He is employed by the Douglas Aircraft Co. at the Ontario airport.

Kaiser Co. Employe

Mr. and Mrs. Rudolph Wehner have moved to Upland from San Bernardino and are residing at 881½ North Third avenue. Mr. Wehner is employed by the Kaiser Steel Co.

At Substation

Mr. and Mrs. Ralph Thayer have purchased the residence at 27 North Third avenue and he is working at the Southern California Edison Co. substation on Etiwanda avenue. With two daughters, they came here from Long Beach. They purchased the residence from Rodney Johnson, who has moved to Saticoy.

From Chino

Mrs. Irma Raymond and four daughters are residing at 455 North Second avenue. They moved here from Chino.

Laskeys Here

Mr. and Mrs. Maurice Laskey, who have resided in Ontario for many years, have moved to Upland and are residing at 723 North Third avenue. The new Uplanders formerly owned the Paradise resort on South Euclid avenue in Ontario.

In New House

Dr. and Mrs. Maurice Long have just occupied their three bedroom and den residence at 1331 North Euclid avenue. They moved here from Ontario, where Dr. Long maintains his professional office. The new residence is one of the several attractive houses being erected on the west side of Euclid avenue between Thirteenth and Fourteenth streets.

From Ontario

Mr. and Mrs. John Payne and four sons have moved from Ontario to 61 West Ninth street. They formerly resided here but moved to Ontario several years ago. Her parents are Mr. and Mrs. W. T. Zachary, 768 Sixth avenue.

Employed in Pomona

Newcomers at 526 North Mountain avenue are Mr. and Mrs. Patrick Smith, who have moved here from Pomona. Mr. Smith is employed by the Pomona Retail Credit Co.

In New Residence

Mr. and Mrs. J. J. Holloway moved from San Bernardino to occupy their new residence at 332 North Palm avenue. An attractive frame and stucco dwelling, the new residence is an outstanding addition to the number of new houses being erected on this thoroughfare. Mr. Holloway is employed by Kaiser Co.

Ontario Teacher

Howard G. Whitney is a teacher at the Vina Danks school in Ontario and he and Mrs. Whitney and family have purchased the residence at 647 North Palm avenue.

Chooses Upland

Mrs. Lillian Arthur is residing at 396 North Laurel avenue, having come here from Chicago to be near her relatives.

Work on Central

Richard Daisley and his mother, Mrs. Anna Daisley, are residing at 575 East Seventh street, moving here from Ontario. Mrs. Emma Luebbers, program chairman, announced the theme of the meeting as "New Trends in Education". Mrs. Tressie Holmes, president of Zeta chapter, will welcome the district group.

Gifts, Praise Showered On Carter By City

Gifts and high praise of his outstanding service were given to Evert E. Carter last night as he officially completed 28 years of service to the city.

He was retired as a city employe in ceremonies in the American Legion clubhouse, East Arrow highway, with Mayor Eugene G. Nisbet and others paying him tribute for his unselfish service.

While the popular officer knew of the dinner, the presentation of gifts and the expressions were a complete surprise. A gun and holster were gifts from his fellow city employes. An easy chair for his use during the years of his retirement was given to him by Upland businessmen.

E. Tweed Stone, councilman and chairman of the police commission, served as master of ceremonies. Members of the city council, their wives and many of the city employes and some townspeople were also in attendance, joining in the official recognition of Mr. Carter's retirement.

Police Chief Ralph H. Palmer, City Manager Richard G. Manley and others reviewed Sgt. Carter's career of public service. Paul G. Hottel, a former city councilman and vice-president of the Upland chamber of commerce, presented the chair as a gift from the community to the long-time Uplander. Sgt. Harland P. Jackson of the Police department, handled detailed arrangements for the testimonial meeting.

Sgt. Carter, who began working for the city Sept. 3, 1925, is the second city employe to be retired in accordance with the city's retirement program.

A crutch may support you, but it will not support your family.

Coke Box Broken At Benton's Station

A coke box at Pete Benton's service station, Arrow highway and Second avenue, was broken into Tuesday night, according to a report at Upland Police station.

A home burglary complaint was cancelled Wednesday morning when the complaining resident found mislaid jewelry, first thought to have been stolen, according to Lt. J. A. Wessely.

$2,000 For Building Fund

2,000 Help Consume 1,000 Pounds Barbecue In Catholic Benefit

"We are all tickled; it is wonderful to realize how cooperative local people are."

That is the report of Joe Seitz and Father Gregory Sheridan about the barbecue Sunday under sponsorship of St. George's Catholic church. A meeting of those responsible for the highly successful event was held Tuesday night.

Two thousand dollars for the church's building fund was the net result of the elaborately planned and expertly executed event.

Many Help

"More than realizing a very nice profit, is the experience gained in planning such an event and the thrill of receiving so much cooperation from the townspeople and many firms and individuals interested in the endeavor," Mr. Seitz said.

One thousand pounds of barbecue beef was not enough to serve the throng, additional meat being required to serve the people as they dined into the early evening.

American Legion clubhouse grounds on East Arrow highway was the setting for the event which began at 11 a.m. Sunday and ended at 11 p.m. Entertainment features began on the stage before noon and talented local persons and Southern California artists pleased the diners and other members of the audience.

Booths at which a wide variety of merchandise was displayed and many entertainment features added gaiety to the event.

Nearly 2000 Diners

Food was served under a lattice framework east of the Legion building from the Legion kitchen. Many members of St. Joseph's church served nearly 2,000 dinner patrons.

Stage for the entertainment was a short distance east of the dinner tables. Nearly 100 persons appeared on the program.

Due to the church facilities being overcrowded, efforts are being made to create a large building fund. Site for the new church is to be selected and later on plans will be made for construction of a new Catholic building.

Mr. Seitz is president of the Catholic Men's club and Mrs. Harold Callahan is had of the Ladies Auxiliary. These and other organizations in the church were responsible for planning the event.

Second Musical Evening Tuesday

Tuesday evening, Upland music lovers will be treated to the second recorded concert of a series of six being presented here under auspices of Upland Public library, according to Miss Lucile McDonald, librarian.

High fideilty equipment is utilized to present the musical recordings with full concert hall realism, under the technical direction of Harold N. Barbour. Jay Doty is program chairman.

The public is invited to the free concerts, being presented at 7:30 p.m. in the council chambers of the city hall, and the October 20 program will feature works by Smetana, Haydn, Tchaikovsky and Mahler.

"Overture to Bartered Bride" by Mahler will open the concert followed by "Concerto in D for Violin", Opus 61, by Beethoven. Smetana's "The Moldau" will next be heard, with Tchaikovsky's "Symphony No. 4 in F" Opus 36, concluding the musical evening, concluding the evening of music.

A little care makes mishaps rare.

Plans To State Agencies

School Board Acts On Plans, Bonds

After discussing at length the completed working drawings for the first unit of the elementary school to be constructed on West Eleventh street, Howard Morgridge, architect and designer of the firm of Marsh, Smith and Powell, was authorized by the Upland School District board of trustees in regular session Monday night to file the drawings and specifications with the Division of Architecture, State department of Public works, and the Division of Schoolhouse planning, State department of Education.

The first unit to be constructed in the school proposed for the north side of Eleventh street, between San Antonio and Mountain avenues, will include two kindergarten classrooms, five regular classrooms, toilet and lavatory facilities, administrative office, sidewalks, parking lot and other improvements. The budget for the initial construction amounts to $145,00 and the square footage of the first unit is 11,500 feet. The school buildings will be of frame stucco construction, a less expensive method of construction than previously used in the school district as the trustees attempt to keep the square footage cost of construction at $10.00.

Seek Federal Aid

The board authorized District Supt. of Schools Harold W. Cook to prepare an application for Federal financial assistance under the provisions of Public law 874. Funds for maintenance and operation of the Upland schools may be available to the school under the law if three percent of the average daily attendance figures for the district represent students who have one or both parents employed on Federal owned property.

A survey will be conducted in the Upland district schools in the immediate future in order that such application can be made.

To Sell $50,000 Bonds

Another action of the board was the decision to sell $50,000 worth of bonds, with ten-year maturity, as authorized by a vote of the Upland electors Jan. 30, 1953, at which time issuance of a total of $350,000 in bonds was approved. The $50,000 will be applied to the fund for the construction of the first unit of the Eleventh street Elemenary school.

A five-day non-accumulative additional sick leave for certificated employes, effective for the first time during the 1952-53 school year, was extended to cover the current school year.

Emergency Hospital

Authorization was also given to list the Upland Junior High school building as an emergency hospital annex under the Civil Defense program, following receipt of a request by Dr. A. A. Aita, San Antonio Community hospital administrator.

The low bid of Antimite associates for the treatment of termite infestation at the Junior High school was accepted, and authorization for an agreement with the City of Upland for the construction of sewer facilities for the proposed Elementary school on Eleventh street, for which the school district will pay a $3,000 share of the cost, was completed.

Mrs. Confer, Former Resident, Succumbs In Santa Ana

Mrs. Charlotte Confer, 72, an Upland resident for 19 years prior to moving to Laguna Beach in 1941, passed away at Santa Ana Community hospital at 2:10 p.m. Monday, it was learned here Tuesday by a niece, Mrs. Cecil Meyers.

Private funeral services from the W. A. Brown mortuary, Los Angeles, with interment in Rose Hill cemetery, were conducted Wednesday afternoon.

The decedent was born in San Fernando and moved from that city to Upland in 1922. She was the daughter-in-law of the late Mrs. N. J. Confer who lived to the age of 103.

Survivors are the widower, H. P. Confer, Laguna Beach; two sons ,H. P. Confer, Jr., Laguna Beach, and E. B. Confer, San Bernardino, and five grandchildren.

Appreciation Expressed By Mrs. Callahan

An expression of appreciation for community-wide cooperation in holding of the St. Joseph Catholic church benefit barbecue has come from Mrs. Harold Callahand, president of the Ladies Auxiliary.

Her letter to The Upland News follows:

"It is rare indeed to see a spirit of cooperation such as we have in Upland.

"The most recent proof of this is shown by the tremendous success of the barbecue and festival co-sponsored by the Men's club and the Ladies Auxiliary of St. Joseph's Catholic church.

"We wish to extend our thanks to The Upland News for giving us such fine publicity. Also to the city police and sheriff's department whose invaluable aid was responsible for the systematic control of the traffic and pleasant conduct in their patrol of the grounds.

"It would be impossible to give a complete list of names of those deserving credit for our success. They number into the hundreds. Therefore, we are forced to express our gratitude collectively.

"From the very beginning nearly four months ago when our barbecue began to take form and the Men's club made plans and started working in earnest, every one involved has given his whole-hearted support. The American Legion graciously offered the use of the grounds and club house. To their officers we send sincere thanks.

"Our deep appreciation goes out to all of the young entertainers and their teachers who contributed so much and filled the day with entertainment. They did a magnificent job.

"Also, to the many merchants who have been so kind, we feel deeply indebted.

Expression To All

"It is the wish of both Joe Seitz, chairman of the Men's club and myself as president of the Ladies Auxiliary to pay personal tribute to every member of both clubs and outside help who each in his own way gave so unselfishly.

"It has been our pleasure to serve Father Sheridan who has worked so tirelessly with us and has been our inspiration and our guide.

"And lest we forget, we thank Alta Loma for the use of the pit in which our meat was barbecued.

"Mrs. Harold Callahan."

Five-Year-Old Banana Tree in Bloom

The first bloom on their five-year-old banana tree attracts the excited attention of Mr. and Mrs. Hugh Lewis, 362 South Campus avenue. The bloom appeared on the 25-feet-high tree's original stalk last week, and the Uplanders will be watching it anxiously to see if it will develop a stalk of bananas. Nurserymen say it probably won't actually bear fruit, this being rare in this vicinity. The large banana tree was brought from Monrovia as a cutting five years ago and transplanted in the yard of the home the Lewises built after moving here from Cucamonga. Formerly a rancher, Mr. Lewis is now employed at Kaiser Steel, Fontana.

Children Will Be Dedicated at First Mennonite Church

The Rev. Paul Goering has chosen "Lent to the Lord" as his sermon topic for the 10:30 o'clock worship service Sunday morning at the First Mennonite church. Young chidren will be presented by their parents for dedication.

The minister will preach at the 7 o'clock evening service, and the young people and adult groups will meet at 7:45 o'clock.

George Meany, president, A. F. of L.: "What American labor wants, above all else, is to build and develop the national strength as the best security against Soviet attack."

Blouin Added To Force; Officers Are Reassigned

With the promotion of Officer J. E. McCarthy to the rank of sergeant, filling the vacancy created by the retirement of Sgt. Everett E. Carter, other officers of Upland Police department are being reassigned, according to Lt. J. A. Wessely.

A new officer on the force is Joseph Blouin, 215 Orchard lane, who has been a reserve policeman for the past year. Formerly employed as a machinist in Pomona, Officer Blouin will begin his new duties tonight on the swing shift. He lived in Ontario six years before moving here a year ago with his wife, Mary, and five-year-old daughter, Maria Julienne.

Sgt. Fred C. Strohte now holds top seniority among the sergeants, followed by Sgt. H. J. Jackson, Sgt. O. W. Owens and Sgt. McCarthy.

Officer Felix Quesada, who was the other officer qualified to take the examination for promotion to the rank of sergeant, placed high in the tests, according to Chief Ralph H. Palmer, and will be placed on the eligible list for any possible openings during the following year.

Changes in assignments announced by Lt. Wessely are as follows:

Sgt. Jackson replaces retiring Sgt. Carter on the day shift; Sgt. Owen is now in charge of the swing shift; Officer Cecil O. Derr is being transferred from the dawn patrol to swing shift, and Officer Ian Richardson moves from the swing shift to dawn patrol.

Clint's Market Wins Contest In Coffee Sales

As the result of his store showing a greater increase in coffee sales than any other Southern California store in the contest, Clinton Mayberry will receive a large television set with a combination of radio and phonograph. He is proprietor of Clint's market.

Distributors of Perfect Host and Guest coffee conducted a contest during March, April and May, the sales in this period being compared with those during October, November and December, 1952. Participating stores were members of Certified Grocers, a huge wholesale grocery buying organization.

"My store's record is due entirely to the interest, loyalty and support of the many people who made possible the sales record," Mr. Mayberry said. He warmly expressed thanks to all his customers. "I would like to personally thank every family who participated in the sales record."

The largest retail food outlets in the southland were in the contest along with the local store, Clint's Market.

Basis for the contest was the percentage of increase in sales.

"Of course, along with the increase in coffee sales our store has had a big increase in all sales," Mr. Mayberry reported.

The new TV set is scheduled to be installed soon in the Mayberry home, 175 West Ninth street. Mr. Mayberry is a longtime groceryman here. He is a former exalted ruler of the Elks lodge.

Officers Evchange Congratulations

Ralph J. Colonna, left, was installed president of Upland Exchange club at the installation meeting Oct. 6, with Frank P. Riordan, (right) of Riverside, governor of district fourteen, officiating. The annual installation party will be Friday night at the Ice House canyon resort, with wives of the Exchangers as guests.

Seek New Zone For 4 Acres On Sycamore Court

"Multiple dwelling zone" is sought for the more than four acres east of Campus avenue between Sycamore court and the Ramona freeway in a zone change application filed today with the planning commission.

Paul Bleiler, who recently purchased the property, said he is asking the planning commission to change the zone from single family to multiple family. First hearing on the application will be held by the planning commission next Thursday.

This change is the same as that approved three weeks ago for the 10 acres between Euclid and Sultana avenues from the Ramona freeway to Seventh street. Mr. Bleiler was at the city council meeting when action was being taken on this 10-acre zone change. He indicated then he would seek a zone change.

Mr. Bleiler said he had no definite plans for development of the property but expressed the belief the change would result in a rapid development of the property.

Civil Defense Lectures Due

"Project Pilot", the Chaffey college adult education forum series of Civil Defense lectures, will begin Saturday at 8 p.m. in the college building.

General W. L. Roberts, assistant coordinator of Region 8 in the State Civil Defense program, believes that this may become a statewide procedure if it gets the support of this area.

Olof E. Snyder, chief of training in Ontario, is planning the series for anyone interested in Civil Defense work in Region 8, which includes Inyo, Mono, San Bernardino and Riverside counties. He is particularly organizing it for District 1, which includes Upland, Ontario, and Chino.

The seven programs, which include lectures on Conelrad, the H-bomb, Fire control, and Mass care, were organized at the meeting of the planning committee Monday at Chaffey.

Purposes of the series are to bring before citizens the need for Civil Defense and their responsibility as a matter of self-protection, and to give specialists in organized services opportunity to understand the overall picture of the organization.

Dr. Latimer Joins Promotion Staff Of Upland College

New assistant to the president in charge of promoting Upland college in the West end is Dr. James V. Latimer.

Dr. Latimer was engaged in education work in China for more than 20 years. After his return to the United States from the Orient, he directed finance promotion for Sioux Falls college in South Dakota.

Securing the services of Dr. Latimer is another step in the general expansion program of the local college, Dr. Henry G. Brubaker, president, said yesterday. The increased enrollment of the college calls for expanded service and facilities.

Distinctive Modern Home Attention-Getter

work on his distinctive modern home, of his new home. Mr. and Mrs. Gladfelty outh Campus avenue, is Gene Gladfelty, came to Upland from Columbus, Ohio, three outh Third avenue, who is putting many years ago. Their only son and his family re- of his own to work in the construction side in Monrovia.

eresting Modern Dwelling Pulls ht-Seers to Campus Avenue

of the most interesting under construction in this y, is the modern dwelling built at 368 South Campus e by Gene Gladfelty of 271 Third avenue.

the original design by the -builder, the handsome has been vigilantly observ- ring its various stages of uction by many Uplanders ntario residents, who drive watch the progress and stop to see the interior and decor.

Gladfelty, in the neon-sign ss for 20 years in Colum- Ohio, before coming to Cal- a and Upland three years semi-retirement to recup- after a severe illness with

y temporarily living in an ment, Mr. and Mrs. Glad- are building the new home themselves, although Mr. elty reports a number of ns interested in purchasing en completed.

nding full-time on the con- ion, the owner-builder start- the home last June 5, with an being composite of many al ideas and ideas seen in homes. He has sub-con- d the major jobs of pour- concrete floors, installing bing and heating, and the g and plastering.

His Own Effort

e carpenter work, finishing, ng and papering is largely wn effort. Mr. Gladfelty ad- mits, however, to having help with carpentry work for three weeks after cracking a rib while at work on the modern structure.

Many ultra-modern features are evident in the exterior and interior design of the home, but the one which the owner-builder is most proud is a unique and original system for ventilating the low attic, and thus cooling the house in warm weather.

Of major interest to the sidewalk superintendents observing the progress on the house is the modern fireplace of used brick with a chimney of cylindrical concrete tile. The fireplace, picture glass and louvered windows make up the front wall of the living room, while the bedroom wing features redwood paneling on the exterior.

Plans Realized

When asked how he decided to build his own home, Mr. Gladfelty replied, "I've had ideas for years and years and have designed plans. I've always wanted to design homes but never went into it seriously as I was established in the neon-sign business. Now I am putting many of my ideas to work in this house."

One of the major jobs on the construction, he reports was lifting the two 240-pound concrete tiles for the chimney up on the fireplace with the use of a crane. In a few more weeks, the distinctive new home will be ready for occupancy—and it is certain to be a modern showplace for some time to come.

Mrs. Maxine Good and children, Billy and Merle, and Mrs. Myrtle McCloud, 9311 LaVine, Alta Loma, visited one day last week with Mrs. Vickie Parker in Fontana. On another day the group were guests of Mr. and Mrs. William Breaden in Paramount.

Sebastian Wins In Hair Dressing Competition

Pierre Sebastian of the Mary Eloise Beauty salon was a fifth-place prize winner in the men's division of the hair dressing competition at the 18th annual Coiffure Guild beauty and trade show over the week end at the Ambassador hotel, Los Angeles.

Mr. Sebastian won his award in competition with several hundred hair dressers from over the world.

Accompanying him to the Coiffure Guild show was one of his hair dressers, Mrs. Antonio Verdugo, who served as his model and whose hair he dressed for the competition.

Fashion Show Event Saturday

A Fieldcrest electric blanket will be the grand prize in the sewing contest sponsored by the J. J. Atwood company, with the deadline for entries being today at 5:30 p.m.

Judging will be completed Friday, with the contestants to model their entries in the two o'clock fashion show Saturday afternoon at the Atwood store.

Other prizes include the first prize in each of the four contest sections, a pair of Cannon colored sheets and pillow cases, and second place prize in each section, a boxed towel set.

Judges are Mrs. Lou Crane, Pomona, sewing instructor at the Singer shop in Ontario; Miss Florence Armstrong, home economics teacher at Upland Junior high school, and Mrs. E. R. Croy, 1634 Tapia Via, Cucamonga, a homemaker and custom tailor instructor who had her own custom tailor and design shop on the Kansas City (Mo.) Club plaza prior to moving to California.

Here lies a person who won her crown by using benzine to clean her gown.

...ity Officials To Conference

At least ten Uplanders will be in attendance at the 55th annual conference of the League of California Cities in San Francisco, Sunday through Wednesday.

City Manager and Mrs. Richard Manley and City Clerk Hazel Cassell will attend, as will members of the city council and City Attorney and Mrs. Henry M. Busch.

Mayor Eugene G. Nisbet, Mr. and Mrs. Vernon V. Paine, Donald C. Carr and E. Tweed Stone will represent the Upland city council at the conference.

The local residents will hear Governor Goodwin J. Knight and United States Senators William F. Knowland and Thomas H. Kuchel as principal speakers at the session.

The urban incorporated area situation, subdivisions, the problem of local sales taxes, the financing of public improvements, the traffic muddle, municipal finance, off-street parking, smog, centralized purchasing, long-range capital improvements, and street and highway transportation problems will be among the subjects to be discussed by the 2,000 city officials expected from 250 of the state's 312 incorporated cities.

Mayor Nisbet and Mr. Stone will leave Saturday in order to attend the Saturday night Stanford university football game in Palo Alto. From the conference, Mrs. Cassell will travel on to Riverton, Wyoming, due to the serious illness of her father there. She will visit in Riverton for one week.

Presbyterians To Hear Pastor

"Too Many People" is the sermon topic announced by the Rev. Trusten A. Hart, pastor, for the 11 o'clock worship service Sunday morning at the First Presbyterian church.

Westminster Fellowship will meet at 7 p.m., and the midweek service will be held Wednesday at 7 p.m. in the Kirk House.

Groundbreaking Conducted at Couch Agency Site

As work on clearing the property at Foothill boulevard and Third place was begun for construction of the new quarters for Alan A. Couch Chevrolet agency, a group of business people vitally concerned in the new construction visited the scene to look over blueprints for the new structure and officially launch the project with a pick and shovel groundbreaking. From left to right are R. T. Curtis of Pasadena, architect; Mrs. Vito Campanella, owner of the property with her husband; Glenn Thompson, real estate dealer who handled the sale of the property to the Campanellas to make the new construction possible; Mr. Campanella, owner of the property and the proposed building, and Owen W. Davis, partner with Alan A. Couch in the auto agency which will occupy the new structure. The property contains approximately 25,000 square feet and the new building will contain 10,000 square feet of floor space. The project will cost an estimated $60,000, including the purchase price of the property and cost of construction.

Exchange Club Hears Burmester, Plans Installation Party

Fred Burmester, a member of the National Exchange club's state board of control, reviewed the recent Exchange club's national convention held in Colorado Springs at the regular Tuesday night meeting of the Upland Exchange club at Sycamore Inn. The new president, Ralph Colonna, presided.

The program also included a general discussion on the club's installation party Friday evening at Ice House Canyon resort, a ladies' night event. A film concerning the tremendous existing natural resources in the State of California was shown to conclude the program, for which Harold Atchison was program chairman.

Retiring president Max Hawkins and President Colonna will be honored at the Friday night installation party, a social highlight of the year for the club members.

Methodist Choir To Hold Retreat

Cathedral choir of the Upland Methodist church will hold its annual retreat this week end at Forest Home, according to announcement by Carl Hess, minister of music. About 20 choir members expect to attend.

In addition to prayer, fellowship and recreation, time will be devoted to thought for better church music and to planning for the Sundays which are ahead.

Upland Group To Hear Bishop Kennedy

A large delegation from the Upland Methodist church will attend the dinner meeting Friday evening at Trinity Methodist church, Pomona, when Bishop Gerald Kennedy will tell of the work of the Bishop's Prospectors in Southern California.

James H. Paulin is chairman of Commission on Missions in the local church.

Going from Upland will be Dr. and Mrs. Ralph W. Lee, the Messrs. and Mesdames James H. Paulin, Ernest H. Gibson, Samuel Eberly, James E. Goodban; Mrs. Estella B. Shelley and Mrs. Lillian E. Parker.

Mr. and Mrs. Andrew List and three sons have returned to Upland after residing for several years in Eureka and Ukiah. Mr. List was formerly in business in Ontario and Mrs. List is a former employe of the First National bank. Mr. List is now associated with Jack Clark, Buick, in Ontario.

"It was different in those days but I have always enjoyed my work and my contacts with people," continued the officer.

Laymen's Sunday At Methodist Church

Sunday is Layman's Day for Methodism throughout the United States, and in its observance the Upland Methodist church will hear three laymen speak at the 11 o'clock morning service.

"Christ Calls Men" is the general theme. Dr. Earl L. Wenger will have for his subject, "Why Christ Calls Men"; John Baumgartner, "How Christ Calls Men"; and Elwin Alder, "The Task to Which He Calls."

Jack McCarter will be guest organist, and the children's choirs are under the direction of Miss Shirley Miller.

The Cherubic choir will give the introit, "Dear God, We Like to Come to Church"; the Celestial choir, choral preparation for prayer, "Come Unto Me, Ye Weary; and the Carol choir will sing the children's anthem, "Hear Us, Holy Jesu."

Theme for the 6:45 o'clock youth vesper service will be "Youth and the Church", with William Simonsen of the Chaffey faculty as guest speaker. Young people participating in the service will be Shirley Forbach, Alan McNeil, Ginger Hale and Harold Kough.

Midweek Bible study hour will be Wednesday at 7 p.m.

Guest Speaker And Special Music At Nazarene Church

In the absence of the pastor, the Rev. William E. Thompson, who is conducting revival meetings in Bellflower, Dr. R. J. Plumb will be speaking at the 10:50 o'clock worship service at the First Church of the Nazarene, and again at the 7:30 evangelistic service in the evening.

The Rushing Family quartet will present a musical program for the 6:30 p.m. Young Peoples meeting, and will provide the music for the evangelistic service.

Albert E. Malone, 26 East Arrow highway, has been dismissed from San Antonio hospital, where he received treatment for injuries suffered in an automobile accident.

Mrs. E. W. Henry Taken By Death

Death came Tuesday morning to Willella Craig Henry, wife of Everett W. Henry, at their home, 2487 San Antonio Crescent East, San Antonio Heights, following a six months illness. She was 74 years of age.

A native of Westminster, California, Mrs. Henry had been a resident of this community for 47 years, taking an active part in church and club affairs.

She was a member of the First Presbyterian church of Upland, and was a past regent of San Antonio Chapter, Daughters of the American Revolution. She was one of the first nurses to train at the original San Antonio hospital.

Surviving Mrs. Henry besides the husband are two daughters, Mrs. Samuel Franke of San Antonio Heights and Mrs. James E. Hughes of Whittier; a son, Wilfrid H. Henry of Laguna Beach; and two grandchildren.

Funeral services will be conducted Friday morning at 10 o'clock in the Richardson-Peterson chapel, Ontario, 123 West G street, Ontario, with the Rev. Trusten A. Hart, pastor of the First Presbyerian church, officiating.

It has been announced that friends may call at the mortuary Thursday evening.

Gallop Poll Interviewer

Matron's Survey Work Here Is Fascinating

Who gets the answers from the people for compilation in the Gallup poll?

In the Upland district it is Mrs. Beatrice Bernard, 288 West Ninth street.

She has just completed a current survey on a national issue.

"I have interviewed 11 people and their answers are on the way to the New Jersey headquarters of the Public Opinion Institute," explained the Uplander. "Of course, all the answers are confidential." She unwrapped an envelope containing a blank form and explained; "Here is the form that is filled out; you see, it is very complete and we are able to get a very full report on what people think."

Mrs. Beatrice Bernard

Everyone Cooperates

Mrs. Bernard is thrilled with the work.

"Almost every person is so cooperative and it is so interesting to meet people and discuss things with them," she said.

Speed is important to the operators of the Gallup poll. Prior to actually receiving a particular assignment, Mrs. Bernard is alerted a few days in advance and asked to be ready to complete the project on a definite time schedule.

On the most recent project, she was requested to interview people in the "rural area," a certain number of men and a certain number of women. A previous assignment specified contacts with people in an approximate income bracket.

Check On Election

"I got this work through a friend, who about a year ago had to give it up," reported the Uplander. "An interesting assignment came just before last year's election and we made a poll on the possible outcome.

"I am not at liberty to divulge the subject of the most recent assignment but the reports of that will probably be published soon."

The Los Angeles Times and the Los Angeles Examiner publish results of the Gallup poll.

"I think it is interesting for Upland people to know that they have a part in the published reports and that this huge organization has a local representative," she observed.

Skvarna Heads Hi-Y Club

Hi-Y club at Upland Junior High school will complete organization for the current school year at a meeting tonight, 7:30 o'clock, in the school gymnasium with the newly-elected president, Carl Skvarna, presiding.

First meeting of the year for the Hi-Y members was held Thursday and a second meeting was held Monday noon for the election of officers.

Elected to serve with Skvarna, who is also student body president, were Paige Butler, program chairman and publicity; Ed Pollack, secretary-treasurer, and Henry Lomax, vice-president. The group will meet every Thursday evening.

Richard Riley, faculty sponsor of the Hi-Y club, said yesterday that the group is a "service organization for the school and a social outlet for the boys with emphasis on the service activities." An initiation for new members will be held in the near future, he stated.

Students Sell Magazines

An annual magazine sale conducted by students of Upland Junior High school for the Curtis Publishing company was launched Thursday and is continuing through Saturday, according to Principal Edwin P. Dean.

All magazines are available by subscription from the students, with the junior high classes realizing the profit from the sales for their projects and activities. Prizes to the high salesman are also being awarded, on a daily basis, and for the final high salesmen of the campaign.

Howard Collins is sales manager of the subscription campaign with Diana Cometti as assistant sales manager. Grade managers are Doug Reisner, ninth grade; Louis Edelman, eighth, and John Cantelle, seventh.

Car Reported Stolen On South Campus

A stolen car report was filed with Upland Police department by Byron C. Richards after his black 1950 Chevrolet coupe was stolen from the driveway at his home, 361 South Campus avenue, sometime between late Wednesday night and early Thursday morning.

The missing vehicle also contained a Voit reflex camera and light meter valued at $100.

School Pictures Taken Tuesday

Individual class pictures of students at Upland Elementary school were taken Tuesday by Edwards studio of Glendale, a photographic service for schools.

Miss Jessie Brown, principal, said those teachers wishing pictures were also photographed in the annual picture event.

Legionnaires Honor Carter

At the meeting of the American Legion next Wednesday, former Post Commander Everett Carter will be honored by his Legionnaire buddies.

A dinner in honor of Sergeant Carter, who was retired yesterday from Upland Police department, will open the evening at seven o'clock in the Legion hall on East Arrow highway. The social meeting which follows the dinner will also be in his honor.

Sgt. Carter served as commander of the Legion post in 1946 and is still active in the post activities.

Reports to be heard at the meeting concern the current membership drive, the Hallowe'en dance planned for Oct. 31, the turkey shoots to be held Nov. 8-11-15 and 22, and other post projects.

Sunday, a delegation from the local post will attend the quarterly district meeting of District 25, The American Legion, Department of California, in San Bernardino. Heading the delegation will be Houston Dewey, who will officially retire from the office of district commander at the meeting and install the officers elected last spring.

At the Legion meeting held last week, Col. C. R. Roberts, 2140 North Euclid avenue, was appointed to the coordinating council by Col. D. J. Rutherford, commander.

Juveniles Find School Poor Place For Burglary

Four dollars was the total loot of juveniles who broke into Cucamonga District Elementary school, 8968 Archibald avenue, Friday night and ransacked the office of Mrs. Theresa M. Stafford, principal.

The lock was picked to the outer secretarial office to gain entrance to the principal's office. Of the $4 taken, $3.50 was in a locked filing cabinet which was picked open and 50 cents was in Mrs. Stafford's desk drawer.

Also entered was the eighth grade classroom, where the teacher's desk was also ransacked in a futile effort to find more money. Nothing else was reported taken.

Better a look than a limp.

Cable Airport Plea Given To Lions Club

"Because he knows how to operate an airport, because he has unusually good facilities and because he is vitally interested in aviation, Dewey Cable should be given every possible cooperation and consideration in his project," Robert M. Byrne of the California Aeronautic commission, told members of the Upland Lions club Thursday noon.

Privately owned airports in "Great Los Angeles" are fast diminishing due to the protests by nearby residents and such a decrease is bad for the flying public and for the industry, Mr Byrne said. The small airports were given a high rating by the speaker, who said that in the nation are 6,700 airports, although only 687 are used by the large commercial lines.

Private Plane Trend

"The trend is for companies and executives to use their own private planes rather than relying on the big commercial lines," he said. "So often, trips are necessary to points where there is no big commercial airport. It is more convenient and more practical to use the small, privately owned planes."

The speaker pictured the usual pattern leading up to the abandonment of a small airport. "Frequently, land used by an airport is leased and the time comes when the owner of the land has an opportunity to sell at a big price. So the land is sold and the airport is gone."

Many Qualities

In this respect, Mr. Byrne said that Mr. Cable had all the qualifications for a successful airport —ownership of the land, the know-how and the determination to do something to help the industry.

In peace times and in times of war the small airports are very necessary, the speaker said.

Ralph Scott was program chairman with President Joe Seitz in charge of the meeting.

Mr. and Mrs. E. L. Woldruff and family, 1638 Avenida Vejar, are back from a three weeks vacation in Colorado. They visited their relatives and friends in Colorado Springs. Mr. Woldruff is employed by the 7-Up Bottling Co. in San Bernardino.

George M. Campos Treated After Hit By Auto Saturday

Emergency treatment at San Antonio Community hospital was given George M. Campos, 56, Cucamonga, Saturday night after he was struck by an auto at the intersection of Foothill boulevard and Turner avenue.

A left eye laceration and chest injury were sustained by Mr Campos, who was released from the hospital following emergency treatment.

Robert Y. Tracey, 34, St. Louis Mo., was the driver of the west bound auto on Foothill boulevard which struck Mr. Campos.

One inch of wire insulation is worth miles of fire hose.

Mr. and Mrs. George Wurster, 123 West Arrow highway, are enjoying a visit in Buffalo, New York, and are planning to remain until about November 1.

"NO MAN'S LAND" IN SCHOOL DISTRICT PRESENTS PROBLEM THAT MUST BE SOLVED IF ALL CITY IS TO BE SERVED

There is a tendency here to overlook an unsatisfactory school boundary situation. Time will come when action should be taken if ever the area involved is going to be properly served.

We refer to the district within the Upland city limits which is in the Ontario school district. This area is between the Santa Fe right-of-way and the Ramona freeway. The problem exists for these reasons:

1.—The Edison school on Sixth street in the Ontario school district is not large enough to serve the many new children in this rapidly expanding area.

2.—The Ontario school district is not inclined to erect a new school building north of the freeway because of the likelihood of the area in question seceding from the Ontario school district.

3.—New buildings are scheduled to be built by the Ontario school district on locations that are not best suited to serve the Uplanders.

To quite a considerable degree, the area under consideration is in a "no man's land"—educationally speaking. The Ontario school district is preparing to erect two new structures on Sixth street; one at Berlyn avenue (east of Campus) and one at Benson avenue—1½ miles west of Euclid. These sites are far from satisfactory in easing the situation since most of the Upland youngsters who are in the Ontario school district are close to Euclid avenue.

Officially, very little is being said about the situation. The Upland school board would be taking on a heavier tax problem if the Upland school boundary were removed south to the freeway—and so they keep mum. Ontario school officials have never given an opinion, but we surmise they would like to have the area become part of the Upland district.

And that is where the problem is.

If this area is going to become part of the Upland district, a new school must be erected at a central location to serve the pupils. A new school costs many thousands of dollars. And most of the dollars would have to come from the proceeds of a bond issue.

Nearly a year ago a movement was started among some of the residents in the area concerned to get the school boundary changed. Again right now Upland residents, who are under the administration of the Ontario school district, are asking for a change.

Considerable increase in population is likely in the district under discussion. As more people come and as the school problem becomes greater, more requests will come for a change.

This is a problem that should not be ignored.

DO WE WANT NIGHT FOOTBALL NEXT SEASON?

Do we want to have night football games next season?

If so, the post-game skirmishes among rooters will have to be eliminated; "or else."

Following a few games in the Citrus Belt conference, incidents have occurred that have marred people's faces and school relations. An announcement has been made at the Chaffey Quarterbacks club that these incidents must be completely avoided if the schools are going to continue to schedule night games.

Responsible adults, of course, are not responsible for the incidents. If youths are to blame—so are the parents. And that is the point of this comment.

Hubert Weldon, president of the Quarterbacks club, has appealed for full cooperation of all spectators and parents. It must be given "or else."

IKE'S JOB COSTS HIM MOONEY

As most of us know, the president of the United States gets a salary of $100,000 a year, plus $50,000 as an expense allowance. That sounds like a fairly good income. And it would be except that Uucle Sam pays out with one hand and takes it back with the other.

Out of the $150,000, the president pays $95,000 in taxes. That still leaves him $55,000. But the entertainment and social expenses at the White House probably exceed that figure. People familiar with such costs say they do.

This means then, that President Eisenhower, who admittedly has about the toughest job in the world, actually gets nothing for his labors. If anything, he will have to dip into the money he made on his book in order to meet expenses. That's a sorry situation.

But it was not unforeseen. Before he retired from office, President Truman called attention of Congress to this fact. Mr. Truman was a bit more fortunate in that his expense allowance was tax free. That gave him a net income of $94,000, instead of $55,000. But even at that it was estimated that he had very little left after paying the White House bills. (Congress repealed the tax exempt provision effective this year.)

Now, even if Congress wanted to boost the president's salary, it couldn't do it, since compensation cannot be changed while a person is in office.

Thus, Mr. Eisenhower must go on working for less than nothing. We hope the next president gets a better break.

61 PER CENT OF COUNTY BUDGET FOR WELFARE

Sixty-one cents out of every $1 paid to San Bernardino county in taxes goes to the support of persons on the county welfare rolls.

There is no news in that statement--merely an emphasis to the fact that in this area of good employment more than half of our tax money goes to the support of the aged and the needy. Incidentally, San Bernarino is the No. 1 county in the state on the basis of the percentage of its budget that goes to welfare purposes.

Sixty-one and two tenths of a per cent of the county's huge budget goes for the care of the aged and the indigent.

Why this county rates the unenviable position of paying more for relief than any other county, we do not know. No one has the answer, probably. It just so happens this county may have a higher percentage of the aged on relief or there are more financially unfortunate people here than elsewhere.

At least the situation is such that all persons involved in the expenditure of the welfare money should make sure that not one penny is being needlessly spent or allotted.

This discussion is not intended to point a finger at anyone but merely to emphasize the welfare load is unusually heavy in this county—and could get far heavier.

A study made by the California senate interim committee on social welfare reveals that only 31.9 per cent of eligible people in the state over 65 years of age are receiving old age security payments. In other words, 68 per cent of the eligible persons were not receiving assistance.

As economic conditions change, there is likely to be a change in welfare payments. This means that should we get into an era of less employment, there is certain to be an increase in the number of people going on the "relief rolls."

California has approximately 558,379 citizens 65 years of age and over who are NOT on the welfare rolls. These people are living on money from other than welfare sources such as regular employment, working spouse, pension or retirement plan, returns on investments, living off of savings and help from relatives.

The spirit of helping others could result in a burden too heavy for the owners of real property.

No one likes to ponder on what might be the outlay in this county if a big proportion of these 558,379 would find it necessary to apply for public assistance. It could happen.

COLUMBUS' SPIRIT IS A GOOD ONE TO FOLLOW

With all due respect to the gallant sailor who discovered the new world in 1492, it must be said that sooner or later someone else would have turned the trick.

But Columbus is no less deserving of honor for the courage and vision which got him here first. In fact, it seems to us that Columbus day has greater significance as a symbol of what can be achieved by great determination than it has as merely the celebration of an historic event.

Every one of us should have some of the Columbus spirit. It isn't that we should head for parts unknown and try to make some new geographical discovery but rather have vision to look beyond our work-a-day world and the determination to achieve bigger things.

Like Columbus, however, our progress toward a high goal may not be spectacular. Worthwhile accomplishments so often stem from the little self-disciplines—consistently devoting some time each day to constructive reading, building up a savings reserve, and learning to be patient and cooperative with others.

These things may not earn you the fame of Columbus but they'll help you discover what a good world this can be.

A person can rather accurately be measured by the size of the thing that makes him angry.

Do today what is to be done for there will be other things for tomorrow.

Indolence keeps hosts of young men of great natural ability on the toboggan.

Stolen Truck Tractor Recovered Here Where Abandoned

A truck tractor owned by Essick Manufacturing company of Los Angeles was recovered here and returned to the owners over the week end following its theft from the residence of George F. Borries, 9108 East Ardendale, San Gabriel.

The truck tractor first appeared at the Yum Yum Frosty Freeze 1299 East Fothill boulevard, Sunday or Monday, Oct. 4-5, when it was parked there by a man who told the drive-in manager he was having motor trouble and would leave the truck there and notify the company to pick it up.

As it had not been claimed by the following Tuesday, Upland Police department sent out information on the truck by radio but received no response. Repeating the information Saturday, they learned the truck tractor had been reported stolen.

No Injuries In Two Minor Accidents

A minor traffic collision occurred Friday at Twenty-first street and Euclid avenue, involving autos driven by Anna C. Kellog, U. S. Forest Service, Camp Baldy, and Kenneth Paul Ellington, 1015 South Central avenue, Ontario.

Both autos were proceeding north on Euclid avenue when the rear-end collision occurred as they came to a sudden halt when a halted school bus turned on its red signal lights.

Another minor traffic accident on Foothill boulevard west of San Antonio avenue involved an auto driven by Thomas F. Miller of Los Angeles. As the motorist proceeded west on Foothill, the right-front tire of his auto blew out, causing the car to swerve into the north curb of the boulevard, striking a power pole and mail box.

No injuries were sustained in either accident.

Interest Increases For Record Concert "Review" Contest

With Columbia records, Inc., sufficiently impressed with the series of high fidelity recorded concerts being presented in this community under the auspices of Upland Public library to present an album of records to the person writing the best review on the featured album at each concert, Technical Director Harold N. Barbour announced increased interest in the contest this week.

The contest is open to all persons attending each concert, and the selection to be reviewed at Tuesday's concert is Tchaikovsky's "Capriccio Italien, Opus 45". The winner of the review contest for this concert will receive an album containing the "Carmen" suite by Bizet, in addition to the Tchaikovsky selection.

All written reviews must be presented to Miss Lucile Mc Donald, Upland librarian, within a week following each concert. Awards will be made at the following concert.

Mr. Barbour also said this week that at the conclusion of the complete series of 12 concerts planned, a grand prize will be awarded for the best of all winning reviews during the musical season.

W. G. Tapsfield, head of the music department at Upland College, has announced plans for his entire music appreciation class of 30 students to be present for next Tuesday's recorded concert.

Bible Club Has Guest Speakers

Upland Junior High school's Bible club heard Dana Pankey, Youth for Christ director for this area and just returned from Japan at their regular weekly meeting Tuesday noon at the school.

The meeting was the third for the school year for the group, with 80 students viewing the movie, "The Street", at the first meeting. Last week, Bud King, student at California Baptist seminary, Covina, and Bible club director for the Pomona-Ontario area, was guest speaker.

Officers elected last spring by the club for the current year are Donald Flocker, president, and Carol Ford, vice-president. Miss Marjorie Pleasant is faculty sponsor for the group.

Harvest Boosts Employment

Primarily due to the fall harvest of wine grapes, employment in the West end of San Bernardino county increased during September, Mabel Gammelgaard, manager of the Ontario office, State department of Employment, said this week.

Gains in manufacture of durable goods and airport employment offset losses in citrus packing and picking, Mrs. Gammelgaard stated. Quick-freezing of lima beans was completed the last week of the month.

The office placed 378 persons in jobs during September, of which 254 were in non-agricultural employment and 121 were in farm jobs.

Unemployment declined as school began and students withdrew from the labor market, Mrs. Gammelgaard explained. This, coupled with the grape harvest, caused a demand for male workers.

Women, therefore, constituted 76 per cent of the persons seeking benefits, and because of layoffs in seasonal industries. However, 25 per cent of the claimants had partial earnings, the Employment office manager concluded.

Mrs. Henry Koehler left Monday to return to her home in Kansas City, Mo., after enjoying a two-week visit with her son and daughter-in-law, Mr. and Mrs. Keith Koehler, and their family, 1000 West Twenty-second street.

To the Weaver, the Baker, the Beauty Maker

Rub-A-Dub-Dub, want a suit you can scrub, face cream, or a well-protected loaf? Then we can help you, for Standard Oil Company of California has put oil to work for the weaver, the baker, the beauty aid maker.

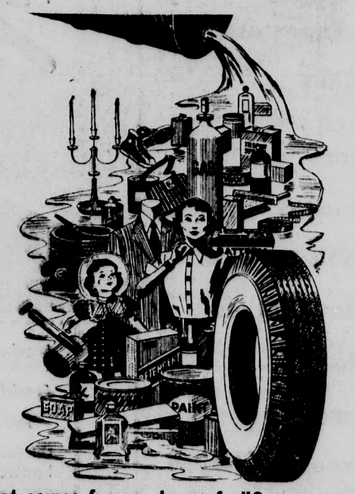

This being Oil Progress Week, it's a good time to point out that oil men help provide thousands of things you *don't* buy in a service station.

Suits, for instance! That wrinkle-resistant model you may be wearing was woven from an oil-born ingredient developed in our research laboratories.

Bread, too! Millions of loaves were wrapped last year in paper coated with Standard wax. Whenever you light a candle, polish a shoe, or empty a milk carton, you may be using wax turned out by Standard Oilers.

And when your wife creams her face we're involved, too. Each year we supply ½ million gallons of highly-refined oils to cosmetic makers—enough for 10 million jars of face cream.

These examples of oil's place in modern living emphasize one important point. The oil industry has moved from kerosene to synthetic fabrics in one short generation—and so have you. Oil progress is *your* progress.

What comes from a drum of oil? Tires, medicines, nylons, detergents, plastics, paints, insecticides—and thousands of other products. And that's because oil companies like Standard invest millions each year to find new ways to make oil serve you better. *Questions or comments about our Company or industry are welcome. Write to Standard Oil Company of California, P. O. Box 3495-E, San Francisco, California.*

New Street Sweeper Placed in Use

Homer Green, Upland city street foreman, 567 North Campus avenue, hands a wrench to Doc Whitfield, Jr., 818 Tenth avenue, operator of the city's new street sweeper, with which to make a minor adjustment on the modern equipment as it is put through a trial run on Euclid avenue. The new sweeper was placed in regular service last week.

Chaffey District Staffs Granted Salary Increases By Trustees

With Vice President William A. Gilliland, 1140 North Euclid avenue, presiding in the absence of President Alfred Utman, Chaffey Board of Trustees granted salary increases to Chaffey college and the Chaffey Union High school district staffs at Ontario and Fontana at the adjourned meeting held at the college Thursday.

High School Increase

Chaffey high school district salary increases totaled $41,000. This sum is the portion of the $91,000 unallocated revenue which the board voted to use for this purpose. The total is the sum in excess of the amount anticipated in the budget at the time the salary raises were granted last spring. Other major items included in the $91,000 are those for capital outlay and instructional supplies, both of which were reduced last spring.

The high school certificated salary steps were changed from 1-14 to 1-12. The first step in each class is increased $50. All step increments were made $150. Administrative salaries were deferred until the next regular postponed board meeting on October 27.

College Staff Schedule

The college certificated staff was granted a change in schedule in which steps one and two had increment changes from $150 to $200, and a $50 across-the-board increase. Numbering of steps in the salary schedule was changed from 0-14 to 1-15.

Non-certificated staff members were given raises similar to those of the high school non-certificated staff.

High school non-certificated personnel were given a percentagewise proportionate raise. The salary schedule revision widening the span of increase as proposed by the secretaries was adopted. Maintenance and operational personnel will receive a percentage increase distributed as the last raise. Wages of casual personnel-bus drivers and other part-time workers—receive the same percentage increase. Three-week vacations with pay for the non-certificated personnel who have been with Chaffey 15 years or more were voted.

The special meeting on salary raises was to finish a continuation of the discussion started at the regular board meeting Oct. 6. This discussion was in accordance with the agreement made by the board last spring that if the unallocated revenue surpassed the expected figure in the budget, the question of salary raises would be reopened.

Child Crawls From Under Truck With Only Minor Injury

Horror turned to happiness for Earl A. Musser, 822 Alpine street, when a child crawled from between the rear wheels of his milk truck after he heard cries as he was backing out of a driveway.

Theresa Ann Payan, 34-month old daughter of Mr. and Mrs. Payan, 1321 North Campus avenue, Sonora camp, suffered abrasions across the top of her left foot as a result of being backed over by the delivery truck Saturday afternoon.

Mr. Musser had just completed a milk delivery at 1321 North Campus avenue, and was backing his truck into the street when he heard the child's cries and halted the truck. The child was treated at San Antonio Community hospital.

Eugene Arthur Klotz At Antioch College

Eugene Arthur Klotz, son of Mrs. Robert Lilly, 1320 West Arrow highway, will enter Antioch college, Yellow Springs, Ohio, on Oct. 24.

Klotz will study on campus eight weeks, then go out on his first job under the colege's study-plus-work program. Antioch students spend half their college years on regular jobs across 31 states, gaining a total of two years work experience by the time they graduate.

A 1953 graduate of Chaffey High school, Klotz was active in student government and musical activities there.

Cucamonga District School Enrollment Increased To 450

With harvest workers returning to the Cucamonga area, Mrs. Theresa Stafford, principal at Cucamonga District Elementary school, this week reported a constant increase in enrollment with a current total of 450.

The peak of the school's enrollment is still two weeks away, Mrs. Stafford said. Only 330 students enrolled the first day of school, and a week later 398 were registered.

Upland's "Red Airedale"

Richardson Stellar COP Fullback

No surprise to his Upland friends and fans is the big splurge Willie Richardson is making as fullback for College of the Pacific.

After two years as a standout on the Chaffey college grid eleven, Richardson is now in his second year at COP and is making them sit up and take notice, despite his relatively small size for a football player and his retiring personality.

A report on the son of Mr. and Mrs. William R. Richardson, 619 Vernon drive, can best be given by quoting from John Peri's sports column, Peri-Graphs, in the Stockton (Calif.) Record, as follows :

"The most pleasing discovery on the College of the Pacific's football roster this season is Willie Richardson, the red-headed fullback from Upland, California.

"Willie hasn't cost the Tigers a cent, so to speak, but in the first two games he has more than an adequate answer to Coach Jack Myers' fullback problem.

"Weighing only 173 pounds and with scarcely enough meat on his bones to cover the five-foot 10-inch chassis, Richardson looks like anything but the fullbacks you would find in storybooks. Nevertheless the kid is a 'regla' whiz on wheels after the whistle blows for the kickoff.

"Upland's 'red airdale' came to the Tigers somewhat like one of those unheralded $100,000 prospects who wander into a baseball training camp once in a great while.

"He was attending Chaffey college in Southern California a little more than a year ago when his friend Bob Sachs, former COP end, brought him to meet Ernie Jorge, then head coach of the Tigers, on one of Ernie's trips to Los Angeles.

"Ernie glanced at Willie's size and was not impressed, but he was polite. So when Sachs remarked, 'You can't go wrong on Willie,' Jorge invited Richardson to show up for fall practice.

"The COP coach thought no more about it until Richardson walked into camp on the first day that the Tigers started training in Sonora in the late summer of 1952.

"Even then, little notice was taken of the new recruit until, one afternoon, Jorge had need for a linebacker on the left side of his defensive platoon. Bill moved in and they didn't move him out for the rest of the season, he was that good.

"There was no opening for him on the 'go' gang, however. He was not even given a try on offense because he was doing such a fine job on defense.

"This year, with the rules favoring players who can go both ways, Myers, the new head man at COP, commenced scrutinizing his material more closely.

"When Ted Case, his first choice for fullback turned up lame at the start of fall training in San Andreas, Richardson was told to take over 'until Ted gets back.'

"Well, to shorten the story, Ted isn't back and Richardson is still in there and giving no indication that anyone will be able to get him out before he graduates.

"On defense he continuse to do his usual rock 'em sock 'em job as outside linebacker on the left. On the offense he has run well and has gained 55 yards with three pass catches.

"If Bill knows the secret of his success he won't tell, because he doesn't talk much. Neither does he like to stand still for a picture.

They practically had to hold him for a head 'shot' for the athletic department's photograph gallery while he growled: 'I'm here to play football, not to get my picture in the papers.'"

Motion Picture Theatre Veteran Grove Manager

New manager at the Grove theater is John G. Allender, who comes to the local cinema with a vast background in the theater business. He replaces Elbert Trapp as manager of the Western Amusement Co., Inc., theater.

Known throughout the motion picture industry for many years as Jack and "Mom", Mr. and Mrs. Allender came here recently from Seattle, Wash., and have taken a lease on the McCarthy home-apartment at 490 North Euclid avenue, where they are now at home.

The new Grove manager is the former owner and manager of 12 theaters in the northwest, including Spokane, Pullman, Colfax and Dayton in Washington, and Moscow, Idaho.

Mr. Trapp stated this week that his plans for the future are indefinite at present, as he enjoys time-off at his Ontario home.

Four Uplanders At Kellogg-Voorhis Cal Poly Campus

Among the 181 freshmen and transfer students now attending Kellog-Voorhis campus of California State Polytechnic college, San Dimas, are four Uplanders.

Local students at the college unit are James L. Anderson, son of Mr. and Mrs. Paul E. Anderson, 377 Drake avenue; Raymond Lenhart, son of Mr. and Mrs. Cyrus W. Lenhert, 494 North Campus avenue.

Ralph R. Rickel, son of Mr. and Mrs. Fred R. Rickel, 2545 North Mountain avenue; and Darrel Wensel, North Campus avenue.

Children Tampering With Mail Boxes Apprehended

Police officers investigated a complaint that children were tampering with mail boxes on East Ninth street last week after two residents observed the children examine the contents of mail boxes, turn the metal flags up and move on to the next house to repeat the procedure.

The informants told Lt. J. A. Wesseley and Officer J. E. McCarthy that they had seen the two children perform the same procedure several times. Confronted with the information of their children's activities, the parents assured officers they would put an end to the mischievous practice of the children.

Dons Winners, 33-16

Colton Here For League Opener

In their initial Citrus Belt game of the season, the Chaffey High school Tigers will match their strength and wit against the Colton High school squad which defeated Escondido 33-6 then fell before the onslaught of a tough Las Vegas, Nevada, eleven, 6-0.

Friday night Coach John Tinson's black and gold Bengals were outplayed by Dons of Santa Barbara to the tune of a 33-16 score before a crowd of probably 5,000 fans at the winning team's Peabody stadium.

In their return to Graber field this week, the Tigers will face Coach Vic Schwenk's eleven which works from a T-formation and is known for its fast and deceptive backfield.

The Colton team is returning to the field after a two-week layoff enforced after Wes Vaughn, student manager, contracted polio.

Splitting their two early-season games, the Colton gridders defeated Pacific High twice and Bonita High once in scrimmages. The team boasts nine returning lettermen.

Colton Line Up

The Bengals will probably face the following starting lineup when they take to the field seeking their second win in their fifth game—the CBL opener for the season.

Dossa Hayward and Bob Van Vooris, ends; Bill Carter and Terry Clay, guards; John Seinturier and Al Seevers, tackles; Ed Johnson, center; Garth Orgill, quarterback; Russell Harling and Klen Jensen, halfbacks, and Leroy Peeler, fullback.

In the Santa Barbara game, the Tigers were held back by a solid SB forward wall, and the game belonged to the hosts from their first score three minutes in the game until the final whistle.

Ball losses by Upland's stellar gridders on the Chaffey eleven set up the first tallies by the winners. A pass by Louie Hoyos was intercepted on the Don 18, and they completed the distance to pay dirt in four plays. The point attempt was also good. Only five minutes later, a fumble by Joe Agapay was recovered by the Dons on the Chaffey 30 yard marker, and a 30-yard aerial from Bob Cordero to Rino Filippin resulted in the second score.

Wallace Scores

Johnny Wallace came in for scoring honors again when he covered 22 yards on the first play of the second stanza to reach his goal. Charlie Flores counted the extra point for Chaffey.

But the Dons returned with their third score only minutes later, driving 53 yards in seven plays for two first downs. Passes from Quarterback Ernie Zampese to Gary Mullin and Filippin, for 16 and 10 yards respectively, set up the tally.

Another Hoyos pass was intercepted and set up the fourth score for the winners, with Zampese taking right end to score. This gave the Dons their halftime lead of 26-7.

Dominating the offensive maneuver throughout the first half, the Dons entered the second half in much the same way to score within a minute. Zampese put on his second stellar exhibition of the evening on the ground as he carried 54 yards to score, reversing his field several times enroute. Filippin added the point with a perfect kick, and the Dons led 33-7.

It was early in the finale that locals returned to stage a 63-yard drive from their own 37 to scoring territory. A fool play which fooled only the crowd and the Dons saw Hoyos pass off to Agapay only to have the latter hand the ball back to Hoyos for a 30 yard gain. A repeat of the same play saw the Tigers reach the 15, and Hoyos completed a first down by carrying on to the two. Still carrying, Hoyos crashed through center line to score. Another beautiful boot by Flores ended the evening's scoring, with the Dons in the lead 33-16.

Injury ridden during the game, the Tigers saw one teammate, Steve Young, carried off the field with a fractured leg in the opening quarter. Other injuries, less serious were sustained by Wallace and Dan Anaday.

Resident Treated At Hospital For Wrist Cut

Mrs. Thelma Gay, 649 East Eighth street, was treated Sunday evening at Ontario Community hospital, for a self-inflicted wrist cut, according to a report filed at Upland Police department by officers.

The police officers questioned Mrs. Gay at her home after she was treated for the wrist cut at the hospital. Residing with her are her three children and her sister, 13-year-old Shirley O'Brien.

Ralph Cox, 768 East Sixth street Pomona, told officers Mrs. Cox slashed her wrist as he looked on after the two had argued. He reported rushing her to the hospital for treatment immediately.

Bob Taylor Stars On Service Eleven In Berlin Game

Bob Taylor, who frequently starred in athletics while at Chaffey, is doing the same as a member of the armed forces in Germany, according to a clipping from the Stars and Stripes published in Germany. His parents, Mr. and Mrs. Reginald Taylor, 407 North Third avenue, received the report of Bob's play at fullback on a service team.

The Uplander, in Europe with a helicopter corps, is on the fourth division team and plays in a service team league.

"Bob Taylor opened the scoring, going over from the two in the first period," read the account in the service paper. He is first string fullback on the Green Wave team.

Taylor went overseas early in the summer after receiving basic training in California. He is a Chaffey high school graduate and attended Chaffey college before going into the service.

Flag Football Sees 7th, 8th Grade Boys In Weekly Games

Flag football season is underway at Upland Junior High school according to Coach Don Demmon, with the heavyweight (A squad) and lightweight (B squad) teams participating in the Eastern division of the San Gabriel Valley league.

Seventh and eighth grade gridders play on the flag teams, with the B squad going to LaVerne for a game this afternoon. The heavyweights opened with a home game with LaVerne yesterday afternoon.

The two squads play all games on Wednesdays and Thursdays, respectively, at 3 p.m.

Reorganization Of Leagues Set For Nov. 2

Re-organization of the local Little League and Pony League baseball activities along a pattern set by the big professional leagues is the plan to be followed here Nov. 2.

A baseball commissioner, known in the big circles as a "Czar" is to be selected here, along with other baseball executives. Two additional teams will be accepted and the present leagues will be established as "American" and "National" leagues with a president named for each league.

Marvin Dunn, head of the Upland Night Ball association, announced plans for the reorganization meeting and outlined the tentative set-up.

Thirty-six "commissioners" will form the governing body. These commissioners will select a person to direct all activities and to guide the destinies of all the Little League and Pony League games.

Each of the four service clubs will be entitled to three "commissioners". Likewise, the sponsor of each team will have "commissioners", making a total of 36 persons.

The "American League" teams will include the Lions, 20-30, Rotary and Exchange. In the "National League" will be the Horticultural Center, Owl Luck Star, the I.O.O.F. and a team yet to be accepted.

The Pony League will continue to include the following: Haigh Bros., Elks, American Legion and Antimite Associates.

New teams in the league are the I.O.O.F. and the un-named team. The additional teams are needed to provide opportunity for more youths.

Need for an additional diamond has been stressed by the Upland Night ball commission. Development of a diamond on the Olivedale park is urgently stressed by the baseball leaders.

Miss Mattie Clark, 579½ North Third avenue, returned home Tuesday from San Pedro where she was called six days previously to attend funeral services for George Hamlin, the husband of one of Miss Clark's nieces, who died suddenly from a heart attack.

Mr. and Mrs. Orlando E. Fittante and children, Sammy, Joan and Russell, 1293 North Fifth avenue, returned home last week after spending 10 days visiting in Glendale and other southern cities.

6-6 Tie "Good, Solid Game"

Panthers Display Invulnerable Defense Against Riverside

With a 6-6 tie in their fourth game of the season, against the Riverside team rated second in the Eastern conference, giving them a season record of two wins, one loss and a tie Chaffey college's football team rests this week end before taking on Orange Coast at Hermosa Beach Oct. 24.

The Panthers put on a defensive show for over 3500 fans at Graber field Saturday night, and held the Bengal squad's highly toted passing game to its lowest total gain of the season.

Chaffey took its score after only five minutes, while Riverside worked until late in the third quarter for their score.

Ben Hunter grabbed an aerial fumble by the Panthers' Tommy Ricketts on the latter's own five-yard-line and carried to the two to set up the Panther score. Halfback Hunter scurried around the right end on the next play for the Chaffey tally. Riverside blocked Russ Young's kick attempt for the conversion.

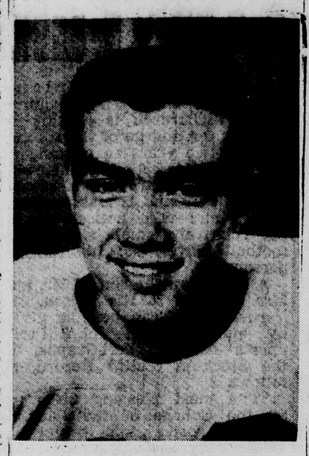

Battling evenly throughout the remainder of the first, through the second and to the latter of the third, the two teams put on the "good, solid game" forecast by John Burnison, Panther mentor. Late in the third, the Bengals tied the game at 6-all as Ricketts carried the ball on a drive from his own 43 to the Chaffey nine, then covered the final yardage to score.

Lucian Carpenter shared the Panther laurels after he utilized every inch of his six feet, five-inch frame to reach skyward with his left hand and deflect the Riverside extra point kick and thus keep the score tied at six points.

With the game reaching its most dramatic proportions with the score tied, Chaffey twice hit deep into Bengal teritory only to lose the ball, once on a fumble and once on a roughness penalty. Riverside never seriously threatened after making their big score.

Bob Grimmesy of Cucamonga was a standout backfielder for Chaffey again in defending against Ricketts' famed passing.

Orange Coast, next opponent for the Panthers, lost to the tough San Bernardino Valley college squad Saturday, 12-7. Coach Burnison is using the two-week period between the Riverside game and the OC contest to good advantage, hoping to put his boys in top shape for the important conference game.

Chaffey Fullback

Bob Grimmesey, Cucamonga sophomore at Chaffey college, is one of Coach John Burnison's starting backfielders on the Panther gridiron team and is one of the squad's leading ball carriers. The stellar fullback is the son of Mr. and Mrs. O. R. Grimmesey, 10303 Baseline.

Jayhi Team In League Game

Entering Mount Baldy league play this week, Upland Jr. High school's ninth grade team goes to Chino today to play the Boys Republic team at 3 p.m.

In their Thursday game the locals scattered the Fontana frosh with a 25-0 win. Hank Lomax opened the scoring while Carl Skvarna contributed the other three TDs and the point after touchdown.

Next week Emerson school of Pomona sends its top eleven to Upland for another conference game. The two following games will be at home for the Jayhi eleven, with Webb and Freemont. The final game will be a non-conference return engagement with Chaffey frosh there.

Ralph Scott Is Bowling Star

As the result of the efforts of Ralph Scott and other bowlers on the Ontario Upland Elks bowling team, the lodge won a sizeable cash sum and trophies at the recent Elks state bowling tournament.

A report on the results this week revealed that Mr. Scott finished among the top bowlers in the state. In the class "A" doubles, Mr. Scott and Mike Yourkavich scored top position with 1,313 and won $60 and a trophy. Two hundred and thirty-four teams were in competition.

The cumulative score in all events ranked the Uplander in fifth place with a total score of 1,893 and prizes totaling $29. Top score was 1,930.

In team play, the local lodge finished sixth with a total of 2,917. Sum of $45 was given the team. All the prize money went to the lodge.

The Elks golf team also returned from the recent state convention with a trophy. The team included Harlan Wassman, C. A. Percy, V. R. Pittenger, Rolla Moore, O. K. Ferry and Mitchell Thompson.

In the 22 calibre national shoot competition, Leonard W. Howell won a trophy and the soft ball team placed third in the state meet.

Mrs. Julius Flin Taken By Death; Funeral Mass Held

Funeral mass was held Monday morning in Our Lady of Mt. Carmel Catholic church, Cucamonga, for Mrs. Vincenta S. Flin, wife of Julius Flin, 529 Twenty-fourth street, Cucamonga, who died last Thursday in a San Bernardino clinic, the victim of a sudden heart attack. She was 62 years of age.

A native of Las Cruces, New Mexico, Mrs. Flin came to California 16 years ago, and lived in Imperial Valley about six years before moving to Cucamonga 10 years ago. She was a member of the Cucamonga Catholic church.

Surviving besides the husband are a daughter, Mrs. Ralph Chaves of Ontario; one son, Don Fli of Cucamonga; four grandchil ren; and three brothers, Fran and Jim Sandoval in Mexico, an Joe Sandoval of Kettleman Cit

The Rev. Fr. P. Valdez officia ed at the last rites, which wer followed by interment in Bellevu cemetery.

Mr. and Mrs. Oren Decke 373 North Sixth avenue, vac tioned for a week recently Venetian Square, Long Beach.

Arab Discontent Vividly Related

"The Middle East is boiling and this fire will never be quenched by means of pennies and dollars," writes Mary Jane Campbell in quoting Mayor Sheikh Mohammed Ali el Jaburi of Hebron. Mrs. Campbell is a correspondent for the United Presbyterian and has spoken in the Upland Methodist church. She is in the middle east on a mission of helpfulness.

She had an interview with the mayor following the visit of John Foster Dulles. Her interview in part is printed here and the statements are from the Hebron mayor.

"The present policy of America in regard to the Palestine case and the backing of world Zionism makes all the Arabs disgusted with America and the Americans. If the American public wants the goodwill of the Arabs at large, then it should bring pressure on its government to see that justice and fair play be restored to the Arabs. The Arab people have not had any dislike for the Americans, but on the contrary have always liked and counted them friends."

Dissatisfaction with the Point Four program was reported. "This program increased the dislike of the Arab people for the American government. They feel that up to now nothing worth while has been done . . . . If the U. S. government is really sincere in its desire to help our people it should do its utmost to rescue us from our financial difficulties. To come with 'horses and men' and to send what is supposed to be the share of the Arab countries, or its official employes, is contrary to what we believe America intended.' "

Great dissatisfaction was reported over the allotments by the United Nations Relief and Works agency in Jordan. Arab refugees are not able to live on what is available.

"Concerning clothing, most of the refugees are going around with worn out clothes, half-naked. If this calamity had taken place before the 20th century, the 20th century people would have said; 'The stone age was the age of darkness when such calamities took place.' The west does not seem to realize that history will record its deeds and activities and will speak of it in the future as it spoke of its darkest period and will say that this was the worst atrocity committed by the most criminal of human beings.

"The Arabs believe that the employes of Point Four came to their country with the intention of examining the soil in order to learn more about the treasures that are still hidden. In other words, the sole purpose of the interests of the west in the Arab world is to discover its liquid gold and other valuable materials still hidden in its soil."

Pack 8 Cub Scouts See Bob Cat, Other Awards Conferred

Awards were conferred at the meeting of Pack No. 8, Cub Scouts Monday evening at Sierra Vista school. The opening ceremony was presented by Den One, with the attendance report revealing Den Two the evening's winner to present the opening ceremony for the next meeting.

A Committee of Awards conferred the Bob Cat award upon the following Cubs: Ronald Erick, Stephen Dundas, Scott Cameron, Tom Jones, Bill Jones, Charles Dunlap, Randy Kreigh, Jack Babb, Richard Gaynor, Kenneth Shattuck, John Gilliland, A. Dean Palmer, Billy Harmon, Stephen Futscher, Douglas Jones, and Gary Naftel.

Other awards were the Denner Stripe to David Sherwood, Assistant Denner Stripe to Bobby Elliott, and Keeper of the Buckskin to Joel Kay.

A skit entitled, "Doctor I Quiz 'Em", presented by Den Three, was well received by the audience of Cubs and parents.

Painting Exhibit Oct. 24-Nov. 1 At Chaffey

Chaffey Art Association's 13th annual national contemporary painting exhibit is scheduled for the week of October 25 through November 1 in the Women's gymnasium at Chaffey. Fifty-one artists have been invited to compete for this year's award. A dinner for members will precede a preview to the show.

This year's show will be hung under the direction of Douglas McClellan of the Junior College art department. It is open free to the public and yearly draws a large crowd of art lovers from all parts of Southern California. Paintings are the most recent works of nationally recognized artists and range from traditional through abstract.

"The association is extending the privilege of new memberships and greatly appreciates you joining in this community endeavor", said Mrs. Robert Graber, president. Those desiring to poin in time to attend the artists' dinner which precedes the show next week will be eligible to cast a vote for the winning canvas. Details may be secured from the secretary, Mrs. John Svenson, in Ontario.

Started in 1940 with the Barbara Line memorial collection, the association nearly every year has purchased the prize-winning canvas and thes paintings are hung in both large rooms of the Chaffey library. Visitors are welcome during the school year between the hours of 8 a.m. and 4:30 p.m.

Survey Of Former Scouts Underway In This Area

The Upland News is cooperating in an initial survey to locate all former scouts and scouters of the Pasadena-San Gabriel valley, California council, Boy Scouts of America.

The purpose of this survey is to measure, through a subsequent questionnaire, the benefits a boy receives in his earlier scouting years as measured by advantages gained in adult life—because of his Scouting experience.

This is the "follow-through" on everything the Boy Scout program was intended to accomplish and the findings compiled will be turned over to the National council.

Over 75,000 boys have been processed through the Scouting program in this one Council during the past 30 years.

All former scouts and scouters affected by this initial survey are requested to send their name, present address and former troop affiliation at once to Matt Grandon, Survey Chairman, Boy Scouts of America, P. O. Box 3033A, Pasadena 3, California.

Be careful! Remember there are no spare parts for the human body.

A packing box is private...

Sure, but who wants that kind of privacy? If you want really luxurious privacy when you travel, try a Pullman room on an S. P. streamliner.

You'll have all the space you want, so you can stretch out and relax. You'll have your own individually-controlled air conditioning. You'll have one of those wonderful full-length Pullman beds and clean white sheets every night. You'll have your own private toilet facilities. You'll have all the attentive personal service of a top-flight hotel.

And when you feel you'd like to trade your privacy for some friendly company, you can stroll off to the Lounge Car for games, refreshments and the stimulating conversation of congenial people.

Next time you travel on Southern Pacific, try the regal comfort of a Pullman room—roomette, bedroom, compartment, drawing room or suite. Also available: Pullman section space (upper and lower berths). You can reserve space in advance.

We carry freight, too.

And freight gets gentle treatment. What's more, it doesn't cost much: On an average, we move a ton of goods for only 1.45 cents a mile. We have more miles of line serving more Western cities and towns than any other railroad. So for fast, efficient and dependable freight service—whether carloads or l.c.l.—call our nearest agent.

Imposter Stops Motorist

Chief Says Pay No Fines to Officers

Upland Police Chief Ralph H. Palmer yesterday admonished local residents never to pay fines to police officers in patrol cars after a local resident paid a fine of $5 to an imposter who presented himself as a police officer.

"Never pay fines to officers in cars or on a beat," Chief Palmer warned, adding, "The only time money is paid direct to a police officer is for bail and only then at the police station where a written receipt is given for such money received."

The police chief assured local residents that the man who took money from Mrs. Irene Burlingham, Padua Hills road and Foothill boulevard, was not a police officer but an imposter.

After being stopped in Upland by the imposter and paying $5 as a "fine", Mrs. Burlingham told friends of the incident, believing the man to have been an Upland policeman.

The incident occurred Monday night but Chief Palmer did not learn of it until later in the week, when he assigned Lt. J. A. Wessely to investigate.

Mrs. Burlingnam told Lt. Wessely of being stopped by what she assumed to be a police officer in a patrol car between 9 and 9:15 p.m. Oct. 5, as she traveled south on Campus avenue from Eleventh street.

She related how she approached the intersection at Ninth street, stopping for the boulevard stop before proceeding. As she progressed to about 100 feet south of the intersection, she was spotted by a red light from behind.

Pulling over to the curb, she was passed by a red and white car, with a tall aerial on the right rear side and equipped with a red spot light, which pulled to the curb ahead of her. The operator of the car, wearing neatly pressed khaki pants and shirt with a badge on his shirt, but wearing no gun, gunbelt or cap, approached Mrs. Burlingham's auto and announced that she had just run a stop sign.

To Mrs. Burlingham's reply that she didn't realize she had run a stop sign, the man presenting himself as an officer gruffly stated, "You know it is a $150 fine for doing that. You know for $25 you would not have to have a ticket." On learning that the woman motorist did not have $25 with her the imposter lowered the demand to $15, then $10, and when Mrs. Brulingham pulled a $5 bill and a $1 bill from her purse, he quickly snatched the $5 bill and hurried back to his car, driving off at a high rate of speed.

There were two occupants of the auto, according to Mrs. Burlingham's account, and the side of the auto was decorated with a circular emblem.

The imposter was described as over 6 feet tall, with broad, stooped shoulders, slim build, black straight hair combed straight back, dark complexioned and with a long hooked nose. At the time, he had a heavy beard stubble and needed a haircut. Mrs. Burlingham thinks the black and white car might have been a 1948 or 1949 Kaiser or Frazer. . . . . .

Luncheon Opens Season For Shakespeare Club

Shakespeare club opened its 41st season Friday with a luncheon meeting at the home of Mrs. Nelson A. Gray, 1644 North Euclid avenue, with two of the charter members, Mrs. Elwin Magill and Mrs. Howard M. Shattuck, among those in attendance. Mrs. Lowell E. Bartlett, president, presided.

For the program, Mrs. Bruce Hettle reviewed the book, "They Wrote On Clay" by Edward Chiera, with the sub-title, "The Babylonian Tablets Speak Today". This was in keeping with the club's theme for the year, "New Searches in Old Empires".

Hostesses for the luncheon were members of the executive board, and included besides Mrs. Gray, the Mesdames Lowell E. Bartlett, E. J. Sanford, Carlton Appleby, Arthur Bridge, F. W. Riddington, Leslie Boyd and Robert Graber.

Others present were the Mesdames Audry Armstrong, Sanford Ballou, Jack Clark, Stephen A. Craig, George B. Ford, Arthur Hargrave, E. Birch Harrison, Hettle, Donald Jay, Karl Kaiser, Norman S. Lawson, Elwin Magill, Howard M. Shattuck and William R. Mason.

Carnival Profit Told at Meeting Of P-TA Board

A profit of $328 was realized at the carnival held Oct. 3, it was announced by Mrs. Earle T. Casler, president of the Sierra Vista Parent-Teacher association, at a meeting of the executive board last Thursday afternoon at the home of Mrs. Vaughn Dunlap, 2489 Euclid Crescent West, San Antonio Heights. Mrs. Casler expressed her gratitude to all who helped to make the affair such a success.

Plans were outlined for the annual membership drive, which started Tuesday and will continue for a week. Two prizes are offered the rooms obtaining the most memberships. Mrs. Fred Wilhelm is membership chairman.

Mothers of girls who wish to be in Brownie or Girl Scout troops were reminded to enroll their daughters with the neighborhood chairman, Mrs. Leo Gassel—32-5487. Leaders are needed in order to place all of the girls, and all mothers are asked to offer assistance in some way.

Smith-Savage Troth Told

Mrs. Robert L. Smith, 1173 Myrtle drive, is announcing the engagement of her daughter, Frances, to Richard B. Savage, son of Mr. and Mrs. Gale O. Savage of Wichita, Kansas.

The bride-elect is a graduate of Chaffey high school and attended Chaffey college for one year. She is employed by Gamble's Western Auto Supply company in Ontario.

Mr. Savage, who graduated from high school in Wichita, is a seaman aboard the USS Electra.

No date has been set for the wedding.
